

## TAX PAYMENT TIME ENDS SATURDAY NIGHT

## Red Cross Asks For More Relief Money

\$270 WIRED TO  
FLOOD VICTIMS  
OF OHIO VALLEY

Local Citizens Are Re-  
quested to Make Dona-  
tions to Thousand in  
Distress

## GO OVER QUOTA

Committee Named to Re-  
ceive Funds; Grayson  
Makes Appeal For In-  
creased Funds

Randall county citizens had con-  
tributed \$270.75 to the flood relief  
fund of the American Red Cross  
at noon yesterday. The quota for  
the county was \$45 when contribu-  
tions were started Monday morn-  
ing.

Dr. Cary T. Grayson, head of the  
Red Cross, wired Guy Harp, Coun-  
ty Chairman, yesterday as follows:  
"Flood suffering has already  
reached unprecedented proportions  
with relief needs steadily mount-  
ing. Under these conditions it is  
impossible now to name the final  
goal for funds. The only limit of  
Red Cross assistance must be the  
maximum generosity of the Ameri-  
can people. Every possible mem-  
ber of National Red Cross staff is  
now assigned to the field for relief  
duty. I call upon all chapters to  
assume full initiative in their re-  
spective jurisdictions and to mobil-  
ize every community resource of  
personal and organization to raise  
promptly the largest possible  
amount. Report daily the amount  
you raise. For your information,  
in view of present known needs,  
your goal should be not less than  
five times quota originally as-  
signed you."

Members of the local Red Cross  
met yesterday and urged that every  
citizen in Randall county make a  
personal contribution to the relief  
fund. Several organizations have  
made contributions, and others are  
requested to do so at once.

In order that each and every  
citizen may have an opportunity  
to make contributions, the follow-  
ing were appointed to receive dona-  
tions to the flood relief fund:  
Guy Harp, S. H. Condon, Irby  
Carruth, Grady Oldham, C. L.  
Thompson, Dr. R. A. Neblett, Miss  
Ruth Cross, C. H. Jarrett, Mrs. Levi  
Cole, A. K. Goodman, Mrs. H. O.  
Price, Mrs. Ray Campbell, W. E.  
Lockhart, W. C. Black, W. J.  
Wooten, W. A. Warren, J. B. Pow-  
ler, Dr. H. A. Brown, Rev. J. R.  
Hicks, Rev. J. O. Quattlebaum,  
Rev. Chas. L. Dickey, Rev. Earl C.  
Craig, J. W. Shook, Clyde War-  
wick, C. R. Burrow, Ray Campbell,  
Wilford Taylor, Herman Hollen-  
stein and George Frank, at Um-  
barger.

Allen Takes Place  
of Mowery as Man-  
ager Ford Agency

W. E. Mowery has accepted a  
position with Universal Credit in  
Dallas and left yesterday with his  
family for the new home.

Vaughn Allen of Amarillo has  
become manager of Walter Irvin,  
Inc., and will move to Canyon in  
a few days. Mr. Allen has been  
with Mr. Irvin in the Ford busi-  
ness for four years.

As a token of appreciation of  
the interest Mr. Mowery has shown  
in high school athletics during the  
time he has lived in Canyon, a  
lamp was given Mr. and Mrs.  
Mowery yesterday by members of  
the pep squad.

## NEW CAR SALES

Allen G. Grey, Ford tudor.  
H. L. Pritchard, Dodge sedan.  
Bonnie, Helen and Tennessee  
Whittenburg, Chevrolet sedan.  
Mary J. Hibbets, Plymouth coupe.  
J. H. Cox, Jr., Plymouth sedan.  
J. H. Rose, Dodge coupe.  
Wilford Taylor, Pontiac coupe.

## MARRIAGE LICENSE

Muriel Pitcox and Miss Edna  
Mae Bonney, Jan. 24.

Eagles Will Play  
2 Crucial Games

Dimmitt Friday and San-  
dies Next on Tuesday  
to Show Strength of the  
Local Teams

On Friday night of this week,  
the Canyon Eagles will try their  
skill against the fast shooting  
Dimmitt basketball team. The  
game will begin at 7:30 with the  
girls of the two schools playing  
in the first game.

On next Tuesday night, Feb. 2,  
the Eagles will play host to the  
Amarillo Sandies in what promises  
to be one of the best games of  
the year.

Both Dimmitt and Amarillo have  
fast, flashy teams that tend to  
give any of their rivals a basket-  
ball headache.

Much interest is being shown  
in these two games. The Eagles  
have shown some flashy form this  
season and are bidding for dis-  
tinct honors.

The Dimmitt and Amarillo clubs  
have been defeated by the local  
boys and will come to town look-  
ing for Eagle feathers.

Second Coldest Day  
of Winter Saturday  
With 5 Deg. Above

Saturday morning was the sec-  
ond coldest period of the winter  
when the temperature dropped to  
5 degrees above zero. On January  
8 the thermometer sank to near  
the zero mark.

Tuesday morning the tempera-  
ture was 12 degrees above.

The average temperature for the  
month, Dec. 25 to Jan. 24, was 35.3  
degrees above zero.

Canyon - Hereford  
High School Bands  
Play Joint Program

Bands from the Hereford and  
Canyon schools will be consolidated  
for a concert at the Canyon gym-  
nasium on Thursday evening,  
Feb. 11th.

Director R. G. Stephenson of  
Canyon and Director Ralph Smith  
of Hereford worked out the plan  
this week for the purpose of giving  
more experience to the young  
players of the two bands.

The concert will be played at  
7:30 o'clock in the evening. The  
bands will hold a two hour re-  
hearsal in the afternoon. The  
Canyon band will entertain the  
visitors while the Hereford group  
is here.

Gas Rates Are  
Lowered West  
Texas Gas Co.

Reduction to Apply on  
January Bill Will Be  
Considerable Saving to  
All Citizens

New gas rate for the towns serv-  
ed by the West Texas Gas Com-  
pany were announced Friday from  
Austin when the Railroad Commis-  
sion authorized a reduction in  
rates.

The new rate is 62½¢ per 1,000  
feet of gas for the first 2,000 feet,  
and for the next 48,000 feet the  
rate will be 50 cents per thousand.

The new rate will save the cus-  
tomers 20 cents on the first 4,000  
feet of gas used, and lowers the  
rate 5 cents per thousand up to  
50,000.

The new rates will save the peo-  
ple of Canyon considerable money,  
stated R. P. Hinchey, vice president  
and general manager, who was  
here Tuesday.

\$5,000.00 Comes  
To Aid of Farm-  
ers on Erosion

Committee Has 15 Appli-  
cations Approved and  
Others Seeking Listing  
Funds

A government check for \$5,000  
was received yesterday for the  
emergency listing to prevent soil  
blowing this spring. 15 applica-  
tions have already been passed  
upon by the local committee in  
charge of this work, and work of  
listing is now in progress, states  
County Agent W. H. Upchurch.

Under the provisions of this  
grant, the project must be ap-  
proved by the local committee;  
contour lines must be run with the  
level; and the listing or chiseling  
completed and approved by the  
committee before the money will  
be paid to the land owner.

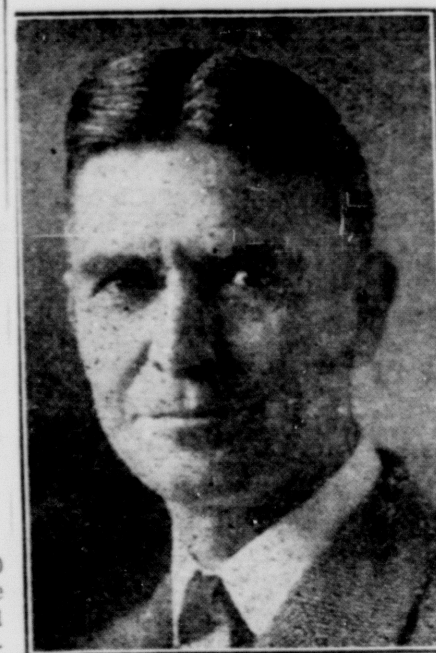

The government gave \$18,000 to  
the farmers of the county last  
year for this type of work. Whether  
there will be more than the  
\$5,000 available for this spring, no  
one here knows. Farmers who  
have fields which are likely to  
blow this spring are urged to make  
application as quickly as possible  
to any of the committeemen of the  
county. This committee is com-  
posed of H. F. Ratjen, Ross Craig,  
C. P. Robertson, John Bedenk,  
Jeff Wallace, C. B. Erwin, Frank  
Gruner, L. B. Hammond and Geo.  
E. Mason.

## ERECTING AWNING

W. J. Wooten is having an awn-  
ing erected at the entrance of the  
Olympic. A sign board four feet  
high will be on top of the awning  
for the announcement of changes  
of program.

## PRESIDENT'S BALL ON FRIDAY

## Resumes Business

C. N. HARRISON

C. N. Harrison has resumed ac-  
tive management of the Randall  
County Abstract Company after  
having engaged in construction  
business for the past 12 years.  
This is the oldest abstract business  
in the Panhandle, having been  
established by Mr. Harrison in  
1902. O. W. Gano, former manager  
of the business, is devoting all of  
his time to Old Age Assistance.

Band Clears About  
\$80 in Cal Farley  
Circus Tues. Nite

The Canyon High School Band  
cleared about \$80 as the result of  
the Cal Farley Circus, which was  
held at the local auditorium Tues-  
day night. The auditorium was  
packed with people who enjoyed  
the circus.

Among the outstanding features  
of the program were the orchestra,  
the Mexican musicians, and the  
stunts of the Amarillo Mavericks.

The circus was brought to Can-  
yon by the Band Parents Associa-  
tion.

Help Keep Canyon Clean!

District Court  
Ends Work Term  
Here Saturday

Little Business Transact-  
ed During the Closing  
Week of the Winter  
Term

The winter term of the District  
Court came to a close Saturday  
afternoon. Judge E. C. Nelson did  
not close the minutes as other  
items of business may come up  
this week which need the atten-  
tion of the Court. Judge Nelson  
will likely come from Amarillo  
before the end of the week to of-  
ficially close the minutes of the  
term.

Among the cases tried during  
the final days of the term were:  
Alliance Life Insurance Co. vs.  
Geo. F. L. Bishop, et al, judgment  
for the plaintiff.

Anne Costley Hutchison vs. Hil-  
lery Hutchison, divorce granted  
the plaintiff.

C. H. Jarrett, Dan F. Sanders  
and Jeff Wallace composed the  
jury commission to select jurors  
for the August term of court.

Two old indictments against Ben  
E. New were dismissed.

An indictment against J. T.  
Towler was dismissed.  
Ross Lancaster, negro, was sen-  
tenced to the penitentiary for 10  
years, having been tried for as-  
sault on a white woman the first  
week of court. The defendant in-  
dicted that he would not appeal  
the case.

Vera Fay Hill was granted a di-  
vorce from Sam H. Hill.

In the case of C. R. Burrow vs.  
Felix Neff, judgment was granted  
to the plaintiff.

In the case Lizzie Schaeffer vs.  
S. A. Evans, the court rendered a  
verdict in favor of the defendant.

J. V. Williams is on a business  
trip to Albuquerque this week.

Ball Will Be Held on Fri-  
day Instead of Satur-  
day; Greetings To Be  
Wired President

The Birthday Ball in honor of  
President Roosevelt will be held  
in Canyon on Friday night of this  
week. The change from Saturday  
night was made necessary on ac-  
count of other activities on the  
day which will be nationally ob-  
served.

The American Legion Auxiliary,  
Mrs. Ray Campbell, chairman, is  
sponsoring the Ball in Canyon.

Tickets are \$1.00 per couple.  
The Melody Maids of Amarillo will  
play for the dance, which will be  
held at the American Legion Hall.  
The ball starts at 9:00 o'clock.

Proceeds from the party will be  
divided with 70 percent remaining  
in Canyon for work among crip-  
pled children, and 30 percent being  
sent to the Warm Springs Founda-  
tion in Georgia for research  
work of infantile paralysis.

President Roosevelt started his  
fight against infantile paralysis  
among children nine years ago.

The Western Union has placed  
at the disposition of the National  
Committee the facilities of all of-  
fices for the purpose of making it  
possible for any person who de-  
sires to do so to send a birth-  
day greeting to the President. The  
person sending such a greeting  
pays the Western Union the sum  
of 25 cents, all of which goes to  
the fund. Western Union makes  
no charge whatever for the use  
of their facilities. 70 percent of  
all the birthday greetings fund  
that originate here will be return-  
ed to Mrs. Ray Campbell, General  
Chairman, to be used locally.

Captain H. O. Price  
Notified By Army  
to Await Duty Call

Captain H. O. Price, reserve of-  
ficer, received notice last night to  
be ready to answer call for duty  
in the flood area within 12 hours.  
All reserve officers of the army  
were notified of the impending  
dangers and will likely be called  
this week. The army is shipping  
all available men and materials to  
the flood district.

## HARVEY CASH IS HOME

Harvey Cash returned home yes-  
terday from Dallas where he has  
been for the past three weeks  
for an operation. He is recovering  
in a satisfactory manner and will  
be able to return to his work at  
the city hall in a short time.

Mr. and Mrs. C. R. Flesher vis-  
ited in Amarillo Sunday with her  
sister.

Second Semester  
For W. T. Will  
Open on Monday

New Courses Will Be  
Given; Many New Stu-  
dents Are Expected to  
Enroll

"Dead Week" the week when  
college students cram for exam-  
inations, take them, and then go  
home for a day or two before the  
spring semester, is almost over.  
All examinations will be ended by  
tomorrow afternoon.

On Monday there will be regis-  
tration for the spring semester,  
and on Tuesday class work will  
begin. The offices of Dean R. P.  
Jarrett and Registrar D. A. Shir-  
ley have been full during the last  
two weeks, many new students ar-  
ranging to enter on February first.

A great number of new and in-  
teresting courses are available dur-  
ing the spring semester, and the  
college administrators have ex-  
(Continued on last page)

PERIOD ENDS  
OFFICIALLY ON  
SUNDAY NIGHT

Office of R. N. Barnett  
Will Not Remain Open  
On Sunday For Pay-  
ment of Taxes

## URGE POLL TAXES

Expect Annual Rush to  
Bring in Many Taxes  
Closing Days of This  
Week

Tax payments must be made by  
Saturday night of this week in  
order to avoid penalties.

While the closing time legally  
comes on Sunday, Jan. 31st, the  
office force of Collector R. N.  
Barnett does not plan to stay open  
Sunday to receive taxes.

Tax payments are running about  
the same as last year, according  
to a report of this week.

Poll taxes are running far be-  
low the average payments of the  
county. Many people have the  
idea that poll taxes are due and  
payable only on years when elec-  
tions are held. This is far from  
the truth, as the poll tax pay-  
ments are made for the benefit of  
the school fund of the state, and  
when the payments are light, the  
school fund runs short that much.  
Furthermore, the poll tax is a lien  
upon any other property which  
may be owned, and if not paid  
becomes a lien upon this property.  
All taxes must be eventually paid,  
especially when levied against real  
property.

School elections will be held in  
April. It is almost certain that  
a special election will be held in  
August on constitutional amend-  
ments which are now being consid-  
ered by the legislature. It is be-  
lieved that at least six constitu-  
tional amendments will be sub-  
mitted this year. Those who do  
not have poll tax receipts will not  
be able to vote in the elections  
this year, but will be forced event-  
ually to pay the poll tax which  
will be assessed against their prop-  
erty.

Press Association  
Plans Meeting for  
April; Come to W.T.

Clyde Warwick, secretary of the  
Panhandle Press Association, ex-  
tended an invitation Saturday to  
the directors of the association, to  
visit W. T. at the time of the  
spring meeting. The convention  
date was set for April 23-24.

The program for the two days  
was planned by the directors. The  
entertainment program will be  
very elaborate, according to pre-  
sent plans. Col. E. O. Thompson  
and the Herring Hotel will give  
a luncheon Friday noon; the trip  
will be made to W. T. Friday even-  
ing; the News-Globe and Tri-State  
Fair will give a luncheon Satur-  
day; and a gridiron dinner will  
be given Saturday night.

Those attending the meeting  
Saturday were: J. C. Estlack of  
the Clarendon Leader, president;  
Albert Cooper of the Shamrock  
Texan, vice president; Jess Mitch-  
ell of the Muleshoe Journal, Doug-  
las Meador of the Matador Tri-  
bune, F. P. Engleman of the Tulsa  
Herald, all of whom are directors;  
T. E. Johnson, Mason King and  
John McCarty, of the Amarillo  
News-Globe; Ed Bishop of the  
Dalhart Texan; Dave Warren of  
the Panhandle Herald; Clyde War-  
wick, secretary, of the Canyon  
News.

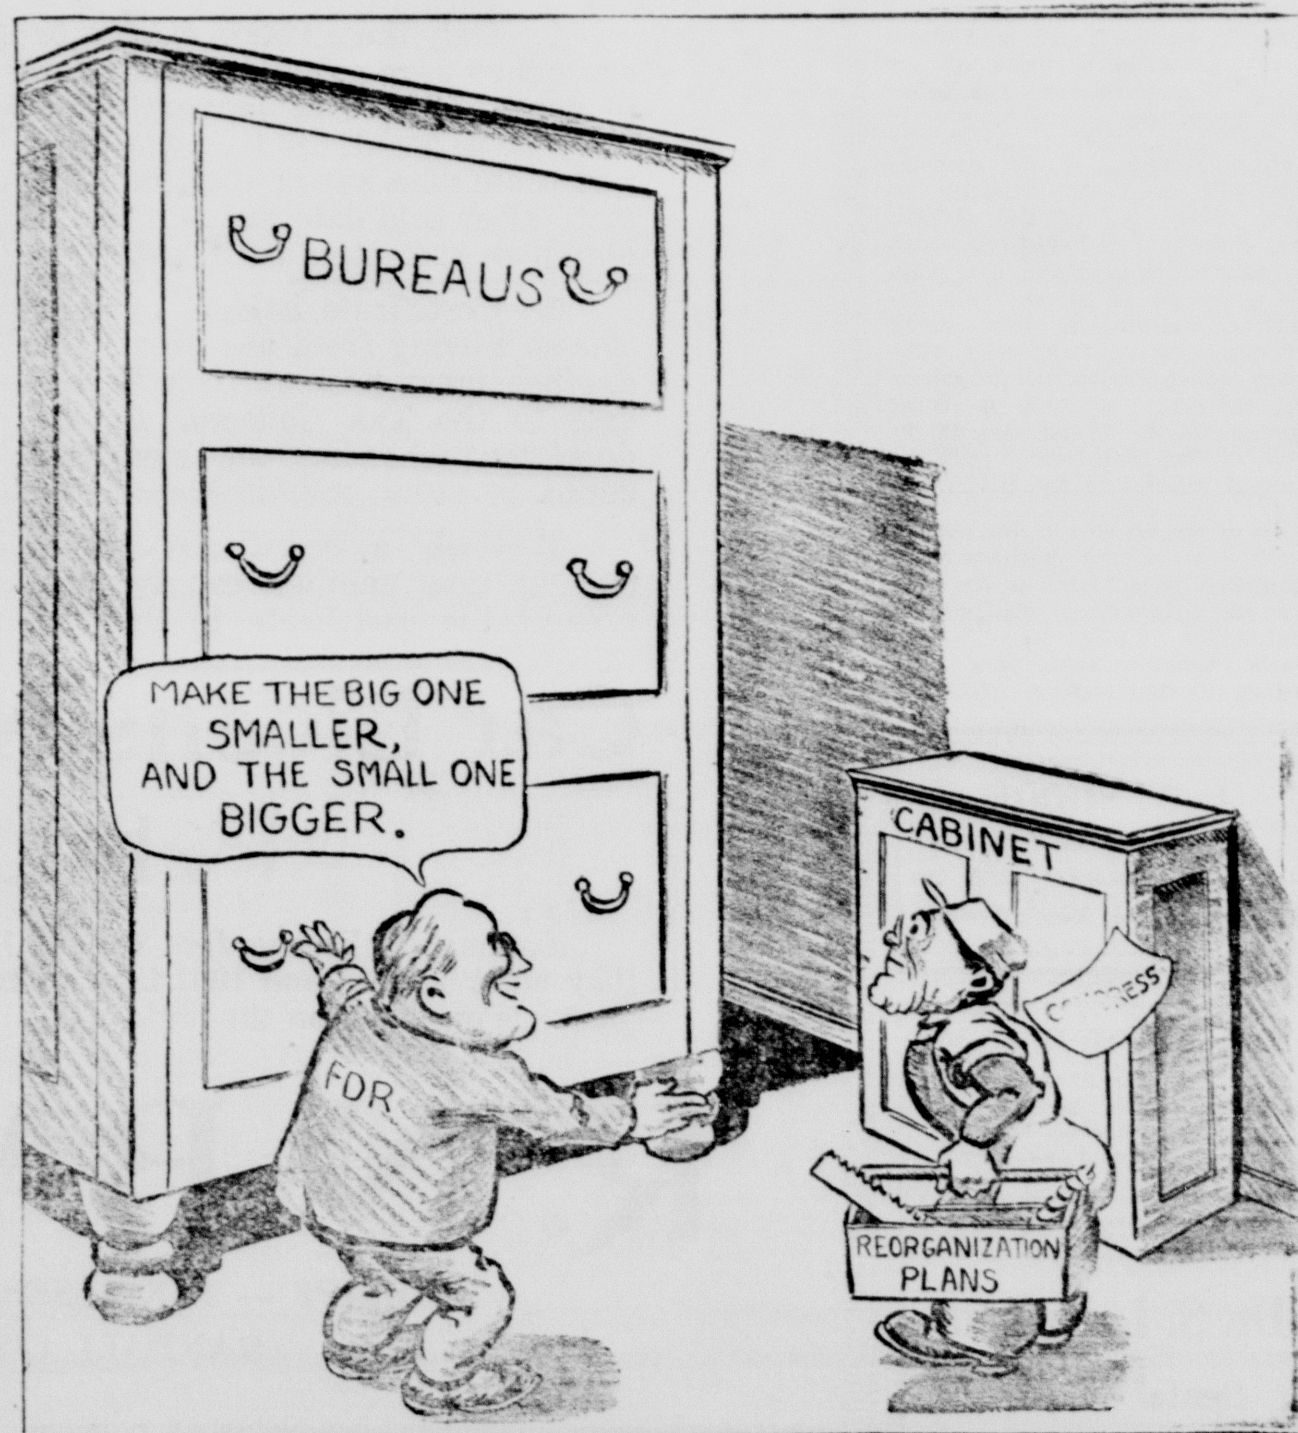

Mr. Estlack stated that he hoped  
every newspaper worker and print-  
er in the Panhandle would attend  
the convention this year as a very  
attractive program would be given.

## STORK SPECIAL

A son, Donnie Cleahert, was  
born Jan. 16 to Mr. and Mrs. Carl  
Rogers.

Mr. and Mrs. F. M. Brazil are  
the parents of a new baby girl,  
born Jan. 24. She has been named  
Mary Alice.

Mrs. Bob Barker and mother,  
Mrs. Sam Wiggins, returned Sun-  
day from Temple where Mrs. Wig-  
gins was taken for medical treat-  
ment.

# The Canyon News

CLYDE W. WARWICK  
Owner and Publisher

SUBSCRIPTION \$1.50 PER YEAR

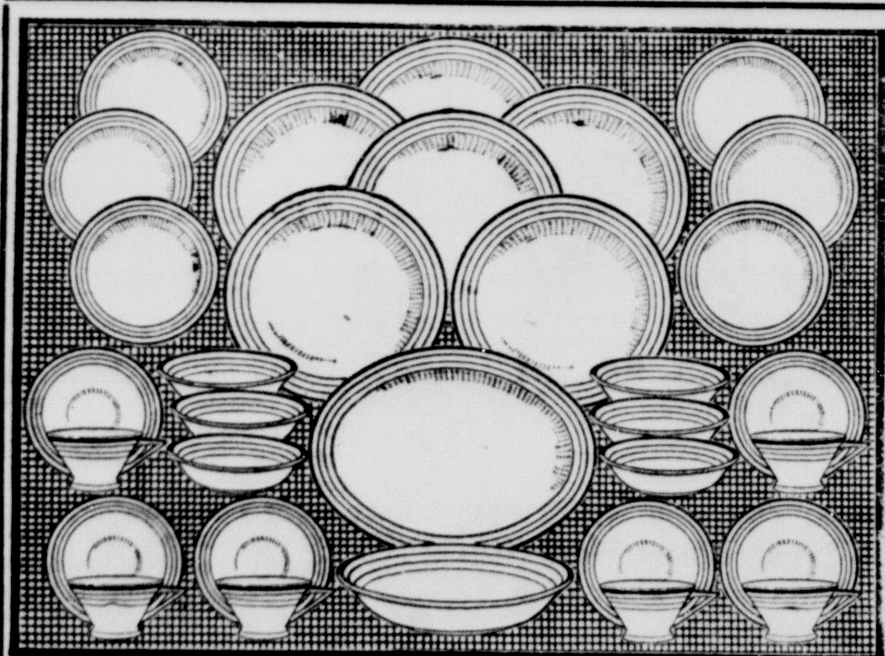

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office 1513 Fourth Avenue, Canyon, Texas.

D. X. Bible, new coach of the University of Texas, will receive a salary of \$15,000 for the next ten years. The President of the University receives \$8,000 per year. Dr. Benedict got into the wrong phase of education, when he aspired to be president instead of football coach. A lot of people in Texas will not be pleased over the situation, but nevertheless, what can be done about it? The legislature may condemn the action of the regents for paying such a huge salary, but the state will not pay the sum. Most of the money will be produced through athletic circles. Mr. Bible must produce the added revenues for his salary, or off will come his football head before the expiration of the ten-year period. After all, being a football coach is no longer a job of mere physical endurance. Back of the successful coach is a super diplomat who must sell himself, not only to the athletes whom he trains, but likewise to the student body, the exes, and above all to the public, which pays the bill through gate receipts. Bible must be a very superior man. His record shows that he gets away with difficult jobs. Whether he is worth \$15,000 to the University of Texas will be determined during the next three years as his teams produce, or fail to produce the results which he has been hired to produce. No job is so uncertain as that of a football coach in a college. He must win games, plenty of games, so the gamblers may win their bets, and the exes get their thrills, or off comes his head. The job may not be worth \$15,000 per year, but at least the coach is the only one connected with the institution who has to parade his pupils before the eyes of 25,000 to 40,000 people every Saturday during the fall and expose their strength or weakness to the critics of the world.

President Roosevelt has presented a plan for improving the efficiency of government. The plan will probably not meet with the approval of congress since patronage is largely taken away from congress, and civil service efficiency is demanded. However, the President has likely asked for much more than he hopes to secure in the way of reform. Roosevelt is a keen student of human nature. He knows how to secure from congress about all that he wishes by asking for a great deal more than he anticipates. After all, wonder if government is so bad off as we have been lead to believe? The old, old adage is that if business were run as lop-sided as is government, business would soon be bankrupt. The startling fact that 93% of those who go into business eventually go broke is not such a

**THOMPSON HARDWARE CO.**

## New Yorkers Build Little 'Utopia' of Individualism

The spirit of back-to-the-soil rugged individualism is exemplified at Suffern, N. Y., where a small community of 40 acres, started in 1935 by Ralph Borsodi, is making good on its own. Upper left photo shows community tenants building one of the many substantial homes, while the one upper right shows a woman member of the community weaving clothing materials. Women in the colony are taught to manage a home, put up fruits and vegetables, and sew and weave. The whole theory of the colony is utilization of the assets at hand. Lower left, one of the new homes.

convincing argument in the efficiency of business men and women. What most Americans would like to see just now is the government getting out of so many lines of business, and turning business back to the citizens who are supposed to be supporting the government.

When is a marble board a gambling device and when is it a game of skill? The grand jury of Randall county answered the question to some extent last week. Officers of the Panhandle have been wondering for several years what they should do about marble boards. Judging from the lack of authority for handling the situation that the big counties have found, there seems to be little that can be done under the existing law. Dallas has been fighting marble boards for years, but little has been accomplished. A few scattered counties have made such attempts, but with little success. It is taken for granted that these devices will be something like the yo-yo, knock-knock, and other passing fancies. Business houses are not to be blamed for taking advantage of the passing fancy of the public by making as much money as they can while the public is marble board minded.

Tuberculosis has been found among the chickens in Randall county. The test which is being made among the flocks has progressed far enough to prove that all flocks of the county should be tested. It is said there is no particular danger in using eggs from affected hens. The great danger comes when affected chickens are dressed in the homes. There the disease is spread over the kitchen and members of the family exposed to the dangers of the infection. The dairy farmers of Randall county set about to free their herds of tuberculosis a

few years ago. This has been successfully accomplished. It would be a fine record to have it said that Randall county has cleared out all affected chickens in the flocks of the county.

The automobile strike not only affects those engaged immediately in the General Motors plants, but affects millions of persons who are the innocent victims of the shut-down. This great industry uses the products of many, many independent industries, which are now affected. The railroads, the truck lines, are directly affected by the shut-down in transportation. Advertising revenues have dropped for the newspapers, and thrown out of work many who have handled this great branch of General Motors. The men who were ordered to strike were well satisfied, and did not wish to stop. Union officials are to blame, and should be made to pay the penalty, but will likely not be punished for bringing on this unnecessary tie-up of commerce and industry.

Dr. James Q. Dealey, editor in chief of the Dallas News, died Friday at his desk. He died in the fashion that all newspaper men would like to have for their ending. Before him was spread out plans for the coming week, and he was in conference with his brother regarding the things he wished to accomplish. The editorial page and policy of the Dallas News was greatly improved since Dr. Dealey assumed management. The editorials were scholarly, dignified, and written with an air of authority on political and economic questions. Thirty-five years as a professor in Brown College and an acknowledged authority on world problems was the background which made the editorial work of Dr. Dealey far superior to the average run of newspapers.

The Panhandle Press Association will meet in Amarillo on April 23-24. All of the officers and directors gathered Saturday to discuss the program, and with the assistance of several past executives, outlined a very strong program. Every Panhandle publisher will be expected to attend this meeting. A visit is being planned to W. T. on the afternoon of the 23rd, which will be of great interest to the publishers.

One of the arguments for changing the date of the president's inauguration from March to January was the prevailing weather in Washington during the spring. March usually sees very bad weather in that section. Yet four

worst rains that section has ever had. After all, Washington weather has been the subject of considerable controversy for many, many years. The summers are torrid and the winters are severe. Why not move the nation's capital to some spot of perfect weather—like the Panhandle of Texas.

The floods in the Ohio valley are very, very destructive. It is a shame that mother nature has been so negligent in her distribution of rain during the past few years. The rain which has been going to waste and destroying property in the Ohio basin would have been sufficient to save the drouth section of the west, and to provide plenty in the regions where there has been little produced. It will be a wonderful thing when the rainfall over the nation again becomes normal, and all sections produce in proportion to the necessity of those who live in each section of the nation.

In spite of advancing prices, utilities rates have been reduced. The telephone company recently reduced long distance rates; this was followed by the rates on power and light; and now comes a reduction in gas rates. Increased consumption brings about such reductions on the part of utilities companies. The public gets the benefit of better service and at the same time better rates.

### Fairview Breezes

There was an unusually small crowd out for Sunday School and B. T. U. Sunday.

Mr. and Mrs. H. H. Shipman were in Canyon and Amarillo last Thursday.

G. E. Wesley has been on the sick list.

Mrs. H. E. Evans, who has been ill is able to be up at this time.

Mr. and Mrs. Chas. Sutton were in Canyon Friday.

T. H. Shipman was in Floydada a few days last week.

Artie Brawner and T. H. Shipman were in Canyon Friday.

Mrs. C. L. Wesley and family

of Canyon spent the past week end in the Mrs. C. M. Rogers home.

E. E. Wesley, Othell Wesley and Lynn Young from Canyon, also Florene and Marie Evans were dinner guests in the J. W. Wesley home Sunday.

H. H. Sutton was a caller in the E. M. Miller home Sunday.

A number of the school children have had the mumps and chicken pox.

Mrs. E. E. Wesley, who has been at the bedside of her mother at

Santa Anna, Texas, returned home Sunday night. Her mother is much improved.

Remember church Sunday.

# Our Loss! You Save!

## JANUARY CLEARANCE CONTINUES!

Merchandise is advancing on the wholesale market.

You will pay more for your dry goods in the future than you will at present prices.

The January Specials are real values. Visit this store for your needs in every department.

Sale Closes Saturday Night.

## The Peoples Store

# Taxes Are Due!

## 1936 Taxes Delinquent Feb. 1, 1937

Your 1936 State and County TAXES are now due and must be paid before February 1, 1937, to avoid penalty. In order to avoid the payment of penalty and interest rates, we are asking that you come in and pay your 1936 taxes by Saturday night of this week.

## PAY YOUR POLL TAX

Both men and women are required to pay their poll taxes. Unpaid poll taxes are a lien upon any real or personal property that you may own, or come into possession of. Pay your poll tax before February 1, 1937, and you will be able to vote in school and other elections, otherwise you will be disfranchised.

If you are not exempt from the payment of a POLL TAX, get an exemption certificate. Exemption regulations are as follows:

1. Only those voters exempt because they were not twenty-one years of age on or before January 1st of the year in which the levy was made and those who have moved into this state after said date are required to obtain an exemption certificate.

2. Certificate holders of these classes moving from one precinct to another must present their certificate to the Tax Collector for endorsement showing the new residence.

3. Such a certificate - holder moving into another county must present the certificate to the Tax

Collector of that county for reissue or registration and endorsement at least twenty days before any election at which he expects to vote.

4. Exempt voters living outside a city of 10,000 inhabitants who are permanently exempt from the payment of poll tax need not obtain exemption certificates, but may continue to vote as they have in the past.

5. Young people who are now twenty-one years of age and those who may become twenty-one years of age during the poll tax year should obtain their exemption certificates before February 1st.

## Car License Fees Payable February 1

Automobile license fees cannot be paid before February 1, 1937, but they must be paid and 1937 tags on cars and trucks before April 1, 1937, if same are operated on the highways.

## English Actor To Present Lyceum Here February 20

Selections For Program Here Have Not Been Decided

George Kiernan, noted English actor and dramatic entertainer, has been engaged for the first lyceum number of the second semester, and will appear on the stage at the college auditorium Saturday night, Feb. 20, Wallace R. Clark, chairman of the Lyceum Committee, announced yesterday.

Kiernan is described as being the best-loved English-speaking actor of this period. He has established an enviable reputation, both in this country and in his native England, and his performance here next month will be an unusual opportunity for theatre-lovers in this section.

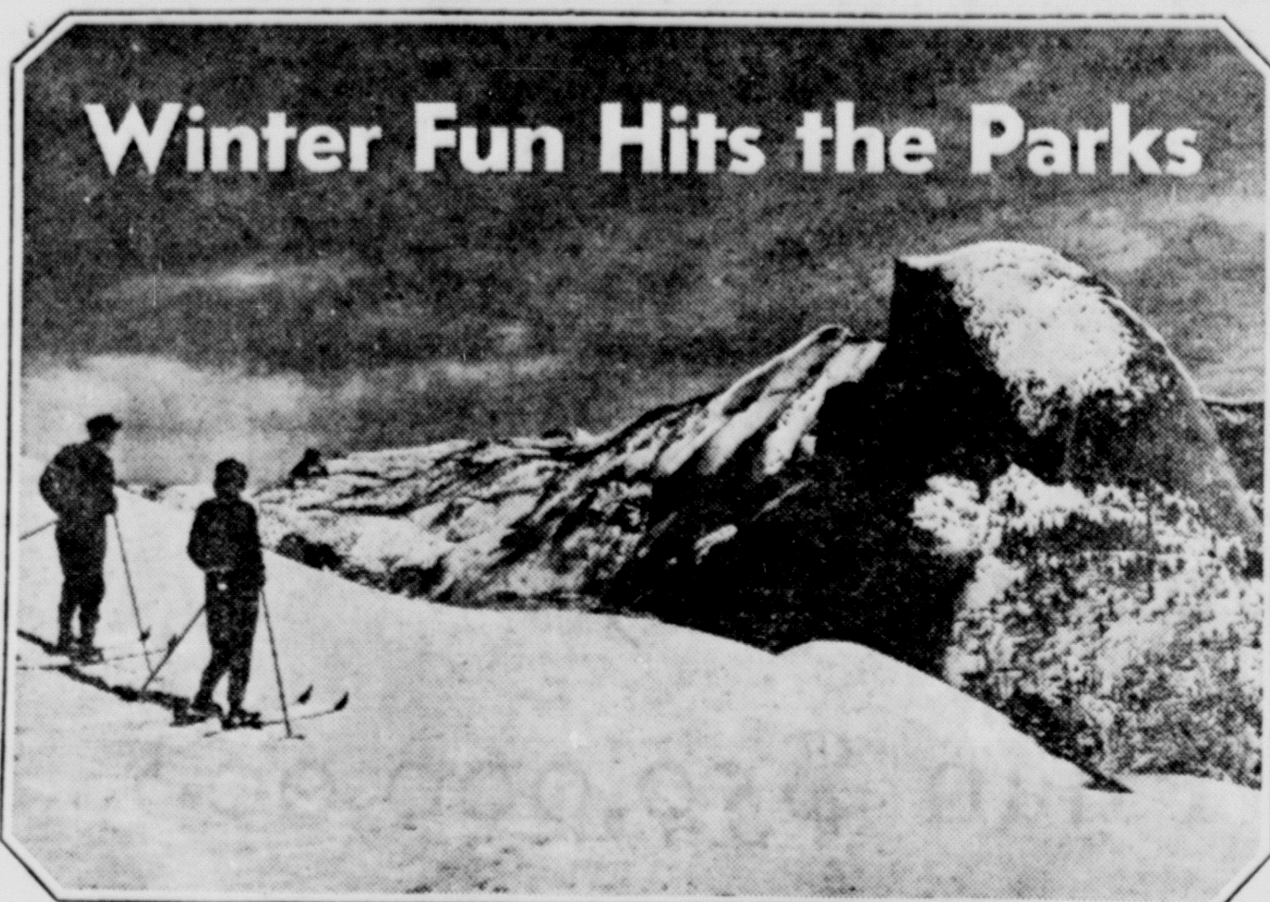

Kiernan's performance here will be in the nature of dramatic interpretations. In an interesting repertoire, he recalls great stage performances of the past, including that of the famous American actor, Joseph Jefferson, as Rip Van Winkle. His selections for the performance here have not been announced.

The college is very fortunate in securing the services of an entertainer of such note, Mr. Clark stated, in discussing Kiernan's appearance here. The noted actor arrived early this month from Eng-

## Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

This is winter fun at its best! Here, among the great crags of Yosemite National Park, winter sport rules supreme. That is the famous Half Dome mountain in the distance to the right.

DEEP trails scar the snowy slopes of the country's national parks these frosty days—the tracks of Americans learning to take their winter sports at home.

From Acadia, up in Maine, to Yosemite, out in California, sports lovers are finding that the grandest ski slopes, the best snow vistas, and the fastest toboggan slides, lie not in Europe, but right in the United States, available almost in our backyards.

Of the country's 26 national parks, all but three are open to some extent the year around, and winter sports may be enjoyed in many of them. In some, snow lasts into the summer, permitting skiing on July 4.

In all these parks are few artificial ski or toboggan slides, since the National Park Service has adopted a definite policy of stressing the winter beauties of these areas.

ALTHOUGH skiing seems to be by far the most popular pastime, there are many other sports to put zip in the winter programs of these parks. Skat-

ing, ski-joring—which means riding on skis while holding tightly to the lengthened bridle of a well-trained but speedy horse—sleigh riding, slalom running, tobogganing, and even good old-fashioned snow-balling are available for the asking.

The parks also have their own unique sport, "ash canning," particularly popular in Yosemite, Mount Rainier, and Sequoia. Equipment consists of an ash can lid, minus the handle, a bur-lap bag for a cushion, and courage.

The brave sportsman sits on the lid, is given a push at the top of a mild toboggan slide, and goes whirling around and around down to the bottom—perhaps!

Were you to make the rounds of all 26 parks, you'd find varied sports programs. In Acadia, for instance, you'd have 20 square miles of winter loveliness to explore. Or in the west you'd find about anything you wanted in thrilling sports at Mount Rainier National Park, Washington, at Yosemite, Sequoia, and General Grant in California, its fellows of the High Sierra, and at Rocky

Mountain National Park in Colorado.

CRATER LAKE NATIONAL PARK in Oregon and Lassen Volcanic in California are increasing in winter popularity.

In the Great Smoky Mountains National Park, in North Carolina, and Tennessee, and in Shenandoah in Virginia, there is increased interest in winter sports and some preliminary consideration of development.

Even in Yellowstone, which closes for the winter, the park personnel has winter skiing at Mammoth, and a recent report from Hawaii tells of an intrepid ranger and his son who found snow high on a volcanic slope within the Hawaii National Park. They went skiing, too.

What about the cost? The Park Service reports that cabins and hotel facilities of varying prices and comfort are maintained in the winter sports areas in these national parks, designed to meet all tastes and pocket-books.

The National Park Service forbids charging admission for any special events within the parks.

land to begin his American tour, it was revealed.

Two other numbers are included in the course arranged for this spring by the lyceum committee. The Curtis String Quartet, guest

artists before President and Mrs. Roosevelt at the White House in 1934, and Dr. John Erskine, President of the Juillard School of Music and well-known as both author and teacher, are scheduled

to appear here during the spring semester. Dates for these last two programs have not been definitely arranged.

Students will be admitted to all lyceum courses by activity ticket.

Two noted speakers, Dr. A. M. Harding of the University of Arkansas, and U. S. Senator Benett Champ Clark of Missouri, have already been presented here on lyceum programs during the fall. Senator Clark, well-known author, speaker, soldier, and statesman, made the principal address at the annual Homecoming Day program October 31.

## IN TRUCK LEGISLATION

Any change in existing Texas truck laws which will increase the present 7,000-pound load limit will affect adversely all communities in the state, both rural and urban. This statement is proved best by identifying the causes and effects upon Texas communities.

These are:

1. Increasing truck loads mean correspondingly increasing the distance which the truck can profitably carry its load.

2. Increasing the distance of profitable truck haul means bringing the small town wholesale houses and industrial plants, such as wholesale grocers, bottling plants, feed mills, oil mills, grain elevators, cotton compresses and retail lumber yards, into direct competition with similar establishments in large cities.

3. Such competition will inevitably result in further drying up the small country towns by taking from them the payrolls, taxes and local purchases represented by their present establishments. Property values, both residential and commercial, will decline; volume of re-

tail sales will grow smaller and former employees will migrate to the cities to reinforce the ranks of the unemployed and the bread lines.

4. Large cities, at first stimulated by increased trade territories, bought at the expense of the country towns, will be ultimately affected adversely because of the resulting unhealthy condition of the rural communities forming these trade territories.

5. Because of the consequent shrinkage of the state's tax revenues from country towns, taxes from the cities will have to be increased correspondingly.

6. The lower truck load limit of Texas now has the effect of acting as a barrier at Texas borders to the movement of the larger truck loads carrying merchandise from the metropolitan and producing centers of other states. Any increase in Texas truck load limits will break down that barrier and permit the free truck movement into the state of many commodities which unquestionably would be sold directly to the retailers, thus destroying, in a large measure, the business of wholesalers and jobbers now located in Texas cities.

Conditions which affect adversely the well-being of Texas communities also affect Texas railroads in identical manner and degree.

2. A new 60 h.p. V-8 engine for extra economy

## NEW 1937 FORD V-8 TRUCKS

### OUTSTANDING FEATURES

Improved, self-centering brakes that have greater stopping ability with easier pedal action.

Improved Centri-Force clutch, easier operation, longer life.

Improved rear axle with op-

FORD brings you trucks with a choice of two great V-8 engines—each designed by Ford engineers specifically for the work you want it to do. The V-8 which established entirely new standards of performance with economy in the low-price truck field has been increased to 85 H.P. and gives even greater gasoline economy than last year's thrifty engine. And there is a new 60 H.P. V-8 engine built to handle lighter jobs with outstanding gasoline economy!

You will also find many other improvements which insure increased economy of operation and upkeep. Every part is ruggedly built to deliver the maximum number of ton-miles at minimum expense.

Let us lend you a 1937 Ford V-8 hauling unit for an "On-the-job" demonstration. Prove to yourself what Ford has done to cut your trucking costs this year!

AUTHORIZED FORD DEALERS OF THE SOUTHWEST

tional gear ratios for increased power application and economy.

Improved cooling system and crankcase ventilation.

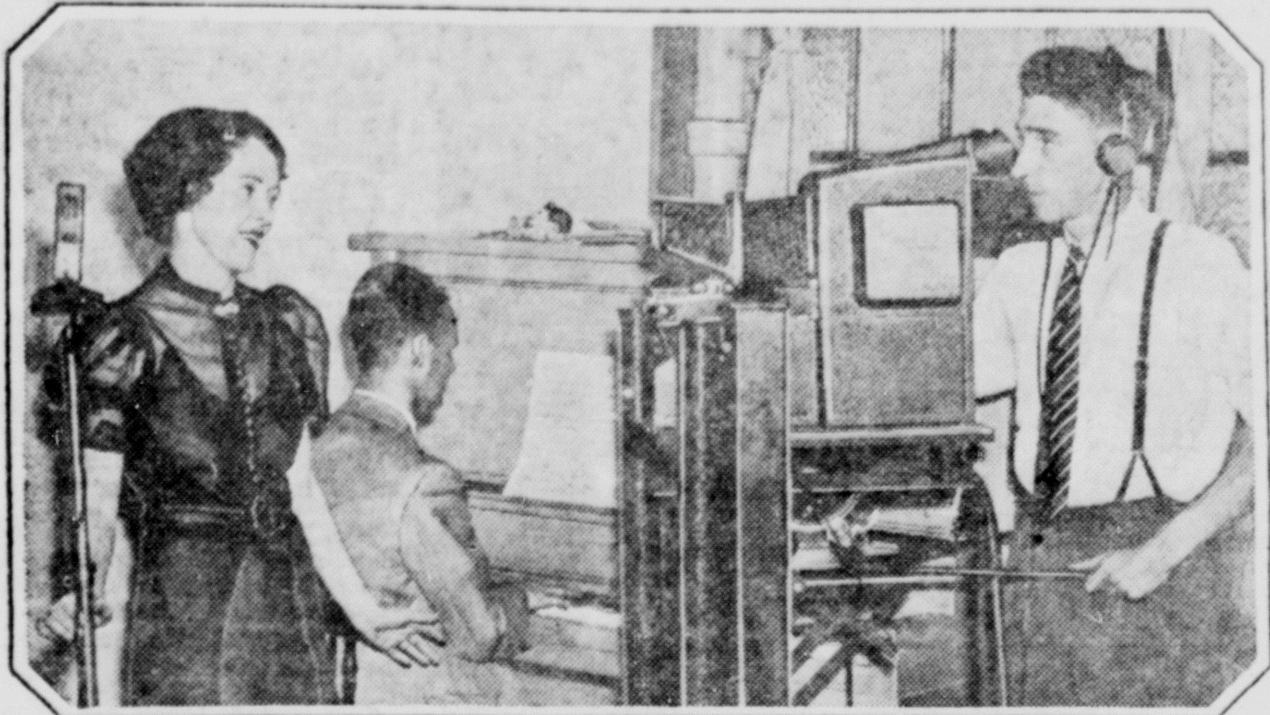

New styling inside and out. More streamlined appearance.

New driver conveniences and comforts. V-type ventilating windshields. Regrouped instruments and electric gasoline gauge for greater accuracy.

All models available with or without De Luxe equipment.

## Television, Successful Over Short Distances, Nears Commercial Use

NEW YORK'S first television performance of a complete program was flashed across Manhattan the other day, bringing a step closer the time when you may sit in your home, twirl a dial, and see your favorite artist face to face.

But don't anticipate that event too early. Television today has reached the stage of satisfactory reception over short distances, but many obstacles must be overcome before visual broadcasting will be practical commercially.

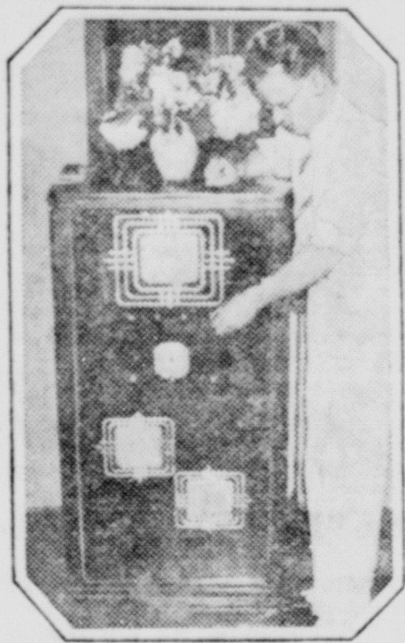

The New York show, for instance, staged in Radio City, telecast a lengthy program of entertainment and news events which were received as greenish-hued pictures on a 7½x12-inch screen. The subjects registered clearly.

They had been shot across the city through a coaxial cable, or "television pipe," linking the NBC studios with the Empire State building transmitter.

But, at best, the normal range of the transmitter is 30 miles, and the high cost of transmission is prohibitive. One large tube in the present transmitters costs as much as two low-priced motor cars—and several tubes are used!

Thus, says David Sarnoff, president of the Radio Corporation of America, several important problems must be solved before television comes of age for practical home use.

FIRST, transmitter stations must be developed and standardized to perform with lock and key precision through receivers

Television broadcasting today is confined to studio demonstrations as shown above in the Philco studios in Philadelphia. At left is the Farnsworth home set as it may finally be adapted for home use. The upper panel is for images and the lower panels for radio sound. Philo C. Farnsworth, inventor, is tuning it.

The Farnsworth laboratory in Philadelphia is studying the coaxial cable development and the general field, with notable results.

The Philco radio laboratory in Philadelphia is transmitting successfully over short distances.

Great Britain, subsidizing television experiments, has opened the world's first full-time television station and is planning a second station.

at a price which the public can afford.

Second, program technique must be studied and developed to justify public service.

Third, some economic base must be found to finance television entertainment.

Once these obstacles have been overcome, leaders in the field of television experiment believe, foolproof sets will be on the market ranging probably from \$250 to \$600 in price. And, just as in the case of radio, prices undoubtedly will go down with increased demand and production.

Meanwhile, here's the television progress chart, world-wide:

R. C. A.-Victor, New York, is spending \$1,000,000 in experiments, transmitting from the Empire State building.

A physician recommended standing on the head to cure hiccups. But, doc, a person rarely has a severe attack of hiccups until his condition is such that he can hardly stand on his feet.—Jacksonville Journal.

What moves us to desperation is the Southern accent in some of the movies.

Some of the jokes that we see, from time to time, have been circulating from time to time.

The Commissioner of Education in New Jersey says that it is all right for a teacher to call a student a nitwit in a friendly way, a decision obviously influenced by the political campaign.—New York Sun.

## CHALLENGER AGAIN

Launched on another four years in the White House, President Roosevelt shows top form in this remarkable closeup, posed especially for his second inaugural. Taking the presidential oath at the Capitol, the president pledged his New Deal administration to further reform in aiding the underprivileged and challenged, indirectly, suggestions for constitutional changes to expand the powers of government.

## SIDELIGHTS

By MARVIN JONES  
Member of Congress  
from Texas.

How valuable is a program of soil and water conservation?

It is estimated that one dust storm in the western part of the United States in 1934 swept three hundred million tons of topsoil off the wheat plains.

Four hundred million tons of soil are washed into the Gulf of Mexico each year by the Mississippi River. Each year water and wind erosion together remove beyond use three billion tons of soil.

The present annual money loss to owners of the land is estimated at four hundred million dollars.

We are losing value in dollars which dollars cannot replace, once the precious basis of our national wealth is gone. Of course we cannot rearrange nature, but we can do our best to prevent the waste for which man has been largely responsible.

It is important to remember that conservation of soil and conservation of water must be considered together as essential features of any program which seeks to maintain a productive land. Economizing the rainfall and using the water supply in our section in the best possible way is an all-important parallel to the work now being done in soil conservation.

Last fall when the President's Drought Committee visited the Panhandle, I suggested the following lines of action:

1. Building dams and creating small lakes.
2. Small irrigation projects where possible.
3. Simplifying the farm program with a large share of the responsibility in local hands.
4. Low interest rates for farm credit.
5. Provision to encourage ownership of farm homes.
6. An adequate range program.

Our plains country has numerous draws and small streams that could be adapted very well to water conservation by the building of earthen dams to impound the water. Small streams which are often dry could be made more valuable in this way. Some experimental work has already been done. I hope such work can go forward on a large enough scale to reach every county.

This additional water supply would be invaluable in times of drought such as our section has experienced during the last several years.

Trees can be planted around the ponds and lakes, and the countryside will be made more beautiful. The water can be stocked with fish, and game sanctuaries can be promoted. Picnic grounds, swimming pools and other facilities for recreation can all be included.

The Drought Committee is expected to make its report soon. I hope it will suggest a broad and constructive program on a long-time basis that will be beneficial to the Great Plains region of the Southwest.

Earl Browder, Communist presidential candidate: "Mobs in Tampa are working in collusion with the police to deny freedom of speech."

Mistinguette, French artist whose legs were once insured for one million francs: "I weel put them up against Deltrich's."

## ENGAGEMENT OF EVELYN SHANKLIN IS ANNOUNCED

January 23, was the date selected by Mrs. J. A. Hill for a tea announcing the approaching marriage of her niece, Miss Evelyn Shanklin to Mr. Gene Seastrand, both of Pampa.

A bluebird motif was carried out in the decorations and program. Mrs. J. A. Hill told the story of Miss Shanklin's life which was followed by a vocal solo "I Hear You Calling" sung by Miss Ada V. Clark. Mrs. Tommie Montfort then told the story of Mr. Seastrand's life, and Miss Nell McNeely sang "The Indian Love Call," accompanied by Miss Freda Charles. Little Shirley Gene Goodman, dressed in bluebird costume, passed a bird's nest from which were drawn bluebird cards upon which was written "Gene-Evelyn February 13, '37. A tap dance was given by Miss Claudia Sue Mosley, after which the guests were invited to the dining room.

The lace covered table had a center piece made of transparent paper leaves over blue, which were used as decorations for the bridal table of Miss Shanklin's great-grandmother almost one hundred years ago. A blue vase of yellow calendula and fuchsia was placed in the center of the leaves, and paper blue birds hanging from the chandelier swayed over the table.

Miss Jennie C. Ritchie poured tea with Mrs. Lemore Hill and Miss Ruth LaFon assisting with the serving.

The guest list included the following: Misses Mary Hudspeth, Ritchie, Mary Moss Richardson, Clark, Pauline Brigham, Agnes Charlton, Isabel Robinson, Gwendolyn Black, Virginia Jarrett; Mesdames Arthur Goodman, T. V. Reeves, H. A. Brown, Lee Foster, J. D. Barker, Charles Dickey, Larry Holman, Art Hawks, R. A. Neblett, Irby Carruth, and Montfort, all of Canyon.

Miss Luella McDade of Dumas, Miss McNeely of Memphis, Miss Moseley and Mrs. Rufus Dodgen of Shamrock, Miss Bills of Muleshoe, Mrs. William Dawes of Lovington, N. M., Mrs. Joe Bill Brown of Briscoe, Miss Rosa Enoch of Oklahoma City, Miss Martha Nell Lang, of Tyler, Mrs. Malcolm G. Hunt, Misses Cornelia Hunter and Hazel Cullum of Portales, N. M.

Misses Margaret Esther Hill, LaFon, Virginia Leigh Bull, and Rosemary Booth, Mesdames Lemore Hill of Amarillo; Misses Bernice Larsh, Wilma Perkins, Julia Shackelford, Frances Stark, and Clotile McCallister; Mesdames Bob Curry, R. M. Klinger, R. E. Kolner and Bob McCoy, all of Pampa.

## MRS. M. JONES ELECTED PRESIDENT JUNIOR WOMEN

At the regular study period Monday of the Junior Woman's Club, a very interesting review of Lawrence Houseman's "Victoria Regina" was given in an impressive way by Mrs. Mitchell Jones. This biography of Queen Victoria was made more interesting by the showing of pictures taken from the play that is now running in New York.

At the business meeting Mrs. Levi Cole gave the Federation Report. New officers were: Mrs. Mitchell Jones, president; Mrs. J. D. Barker, vice president; Mrs. A. W. Hawks, secretary; Mrs. Larry Holman, corresponding secretary; Mrs. J. Madison Daugherty, treasurer; Mrs. Warren Johnson, reporter; Mrs. L. Wirt, parliamentarian; and Mrs. A. B. Brown, critic.

## NIGHT PARTY FOR CLUB AT SANDERS HOME

Mr. and Mrs. Dan Sanders acted as pleasing host and hostess last Thursday evening for the monthly dinner-bridge of the Friday Afternoon Club members with their husbands as special guests.

For dinner the tables were centered with candles that added to the pleasure of the delicious meal. Tables were cleared and games of bridge and michigan were played throughout the remainder of the evening.

Present were: Mr. and Mrs. W. L. Smith, Dr. and Mrs. R. A. Neblett, Mr. and Mrs. Travis Shaw, Mr. and Mrs. Irby Carruth, Mr. and Mrs. Clyde W. Warwick, Mr. and Mrs. T. H. Knighton, Mr. and Mrs. W. C. Black, Mr. and Mrs. Guy Harp, Mr. and Mrs. Marion Bishir, Mr. and Mrs. C. L. Thompson, and Mr. and Mrs. J. W. Klein-schmidt.

## MISS OPAL CREIGHTON IS BRIDE OF TOM NEWTON

On Saturday, Jan. 16, Miss Opal Creighton became the bride of Mr. Tom Newton. The impressive ring ceremony was performed at the Baptist parsonage in Dimmitt with Rev. J. W. Ware officiating.

The bride wore a gray traveling suit of woolen material with gray accessories. The couple left for points of interest in New Mexico. Mrs. Newton is the daughter of Mr. and Mrs. W. R. Creighton of Big Spring. She will receive her degree from W. T. in August. She has been teaching in the primary department of the Hart school.

Mr. Newton is a resident of Canyon and is engaged in the carpenter trade. The couple will make their home here.

## H. D. COUNCIL TO GIVE RADIO PROGRAM, JAN. 30

Recreation work, Mrs. Glen Dowlen, Recreation chairman for 1936, and member of Sunny Hill Club.

## SOCIAL MEETING OF MISSIONARY SOCIETY

The Missionary Society and the Junior Missionary Society of the Methodist Church held a joint social meeting in the home of Rev. and Mrs. J. O. Quattlebaum Tuesday afternoon. More than 50 members and friends were present.

Following the devotional led by Rev. Quattlebaum, the pastor discussed the missions of the Church. The theme was: "Our dollar at work."

Discussion followed of foreign fields in which the church operates. Talks were made by Mrs. Alfred Bellah, Mrs. Frank Phillips, Mrs. T. M. Moore, Mrs. J. B. Morrisette, Mrs. John B. Pope, Mrs. Martha Stewart.

Home Missions were discussed by Mrs. W. W. Richeson, Mrs. Clyde McElroy, Mrs. C. L. DeGraffenried, Mrs. R. McGee, Mrs. R. E. Foster.

Mrs. Glen Dowlen and Miss Belle Jones sang two numbers; Miss Mary Alice Quattlebaum gave a reading; and Mrs. John Pope played a piano solo.

Refreshments were served by the hostess.

## TWO GOALS STRESSED AT MEETING PARK CLUB

At the meeting of the Park Home Demonstration Club which met at the home of Mrs. Ivan Pitt, 2907 Tyler Street in Amarillo, last Thursday, two goals were set for the coming year. They were 100 percent attendance and paid up dues.

The year books were filled out and the following committees were appointed: Finance, Mrs. Owen Turpin, Mrs. A. H. Simon, Mrs. Frank Winters; Exhibit, Mrs. Chas. Thurmon, Mrs. Elmer Winters, Mrs. Ivan Pitt; Special, Mrs. W. E. Bennett, Mrs. C. F. Moore, Mrs. John Ladehoff; Recreation, Mrs. Frank Simon, Mrs. Leonard Winters, Mrs. Flynn Winters.

Leaders were also appointed to direct some form of recreation at the various club meetings throughout the year.

Those present were Mrs. W. E. Bennett, Mrs. A. C. Roddy, Mrs. C. C. Benton, Mrs. C. F. Moore, Mrs. James Eddie Park, Mrs. A. H. Simon, Mrs. Chas. Thurmon, Mrs. John Ladehoff, Mrs. John Coburn, Miss Rena Bell Roddy and Miss Lurine Roddy, visitors, and hostess, Mrs. Pitt.

## REPORT OF H. D. COUNCIL MEETING

Mrs. L. B. Hammond, delegate for the Home Demonstration Clubs at the Texas Agriculture Association in Fort Worth, gave a report of the convention to council when it met in the court house Saturday afternoon.

Mrs. R. B. Gist, council chairman appointed chairmen for the following committees: Mrs. T. C. Gooch, finance; Mrs. E. A. Michael, year book; Mrs. John Coburn, exhibit; Mrs. Glen Dowlen, expansion; Mrs. Tom Lair, education; and Mrs. J. J. Wright, recreation.

A meat exhibit for the Meat Show in Amarillo is to be sponsored by council. The exhibits entries are the same as they were with one addition, which is soap.

There were seven clubs represented, two visitors, and our demonstrator present.

## LAKESIDE CLUB WITH MRS. TOM LAIR

The Lakeside Home Demonstration Club met at the home of Mrs. Tom Lair last Wednesday afternoon, Jan. 20. The paying of bills and the filling out of Year Books was the business attended to during the afternoon.

One new member was welcomed into the club.

Refreshments were served to the following members: Mrs. Glenn Costley, Mrs. John Haines, Mrs. Andrew Jones, Mrs. Bert Hammond, Mrs. Harley Burrus, Mrs. John Dickinson, Mrs. L. T. Campbell, Mrs. Jim Babcock, and Mrs. Lair.

## National Leaders Plan Gigantic Ball to Honor President and Raise Infantile Paralysis Fund

The nation's biggest social event, the celebration of President Franklin D. Roosevelt's fifty-fifth birthday anniversary, is set for January 30, with more than 5,000 communities throughout the country planning parties to raise funds for the philanthropy closest to the Chief Executive's heart, and for infantile paralysis sufferers.

Colonel Henry L. Doherty, for the fourth year chairman of the national celebration, is being assisted by many of the country's foremost leaders in plans for the events. Among those on his committee are: Vincent Astor, Postmaster General James A. Farley, Ambassador Joseph E. Davies, Will H. Hays, Carl Byoir, general director, Colonel Edward M. House, Edsel B. Ford, Walter P. Chrysler, Capt. Eddie Rickenbacker, Patrick Cardinal Hayes, Bishop

A group of proteges of the Warm Springs, Ga., Foundation, where infantile paralysis sufferers are treated. Below, President Franklin D. Roosevelt, whose birthday January 30 is inspiration for the nation-wide parties to raise funds for the fight against infantile paralysis, and Colonel Henry L. Doherty, national chairman of the ball for the fourth year.

William T. Manning, Harvey S. Firestone, Keith Morgan, General John J. Pershing, Owen D. Young, Howard Chandler Christy, Charles G. Dawes and Admiral Cary T. Grayson.

Society leaders, radio, motion picture and theatrical stars are joining forces to make the cele-

brations the greatest series of parties ever staged.

Meantime in cities, towns and hamlets throughout the nation millions of Americans are making preparations for parties that will eclipse in size and colorful entertainment those of any previous year.

## REBEKAHS TO HAVE SPECIAL MEETING

At the Tuesday night meeting of the Rebekah Lodge 350 of Canyon noble grand, Mrs. Nora Hart, presided during the business meeting.

The initiation drill was practiced after the meeting adjourned, and members present agreed to a called meeting of members for Saturday evening for the purpose of drill practice.

Mrs. Myrtle Wester, Mrs. Nora Patterson, and Mrs. Myrtle Stratton served refreshments of cookies, cake and coffee to those present including Mrs. Winnie Gibbs, Mrs. Nannie Myers, Mrs. Margaret Cole, Mrs. Pinkie McBride, and Mrs. Nora Hart.

W. A. Cates attended the stock sale at Amarillo Monday.

## MRS. FULTON HOSTESS TO ZITA CLUB MEET

The second meeting of the year was held with Mrs. H. R. Fulton as hostess to members of the Zita Home Demonstration Club.

Committees were appointed for the year by Mrs. E. A. Michael, president. The year book programs were filled out, followed by plans for a club party entertaining husbands of the members.

Mrs. H. R. Fulton, recreational chairman, led the group in singing and games of Bingo. H. R. Fulton, Jr., entertained with his accordion.

Refreshments were served to the following members: Mrs. Lawrence Fulton, Mrs. J. P. Upchurch, Mrs. Morris Hill, Mrs. Rufus Zeller, Mrs. Baile McCormick, Mrs. D. C. McCormick, Mrs. Eula Watson, Mrs. M. H. Rockwell, Mrs.

John Moody, Mrs. Michael, Jo Ann Fulton, H. R. and the hostess.

## NOTICE OF A. A. U. W. MEETING MONDAY EVE

The regular meeting of the A. A. U. W. will be held Monday evening at 7:30 o'clock at the home of Mrs. T. B. McCarter.

If members find they can not attend they are urged to call Mrs. Herschel Coffee, chairman of the hostess group for the evening.

## ZITA 4-H CLUBBERS MET WITH GWEN BYARS

The Zita 4-H Club girls met at the home of Gwen Byars, Thursday, Jan. 21. After a business discussion, games were enjoyed by every one.

Refreshments were served to the club members and their two sponsors, Mrs. J. E. Dickinson and Mrs. Albert Byars.

## HINTS FROM H. D. CLUB MEMBERS

When finding it difficult to keep rugs from slipping on a polished floor, take jar rubbers and sew to each corner of the rug. "I find this very helpful," says Mrs. John Hunter of Westside H. D. Club.

Mrs. W. L. Arent, co-operator of the Westside Club says, "By heating a lemon before it is to be squeezed more juice can be extracted. Hot water can be poured over the lemons."

Mrs. Robert Adcock, co-operator in the Sunny Hill Club, built her cold frame 3 feet by 15 feet. She arranged this on the south side of her house and plans to build a board fence on the west side for protection. Mrs. Adcock thinks this will be ample space to provide enough fresh spring and fall greens for her family of five.

Mrs. W. E. Bennett of the Park club offers this suggestion: Use lemon drop candy for a novel and pleasing way of sweetening hot tea. They dissolve quickly, and the flavor is delicious.

"Wet turkish towels can be used to clean upholstered furniture when electricity for vacuum cleaners is not available," said Mrs. C. C. Benton of the Park Club. She explained, "Wring the towels in warm soapy water then spread the towel over the chair or divan to be cleaned, then beat with the hands. The towel will take up the dust. Repeat the operation until the entire object is cleaned; then wipe off with towel dampened in ammonia water. You will be surprised how this will clean and brighten up your furniture."

## MEETING OF THE PALO DURO UNIT CHANGED

The regular meeting of the Palo Duro Unit, American Legion Auxiliary, will not meet Monday afternoon.

A joint meeting with the Palo Duro Post will be held on Monday night at 8 o'clock. A special program is scheduled.

## MRS. NEWTON HARRELL HONOREE AT AFFAIR

Mrs. Dan Sanders and Mrs. Irby Carruth entertained a small group of friends last Tuesday afternoon in honor of Mrs. Newton Harrell of Claude, who is visiting in Canyon for a few days.

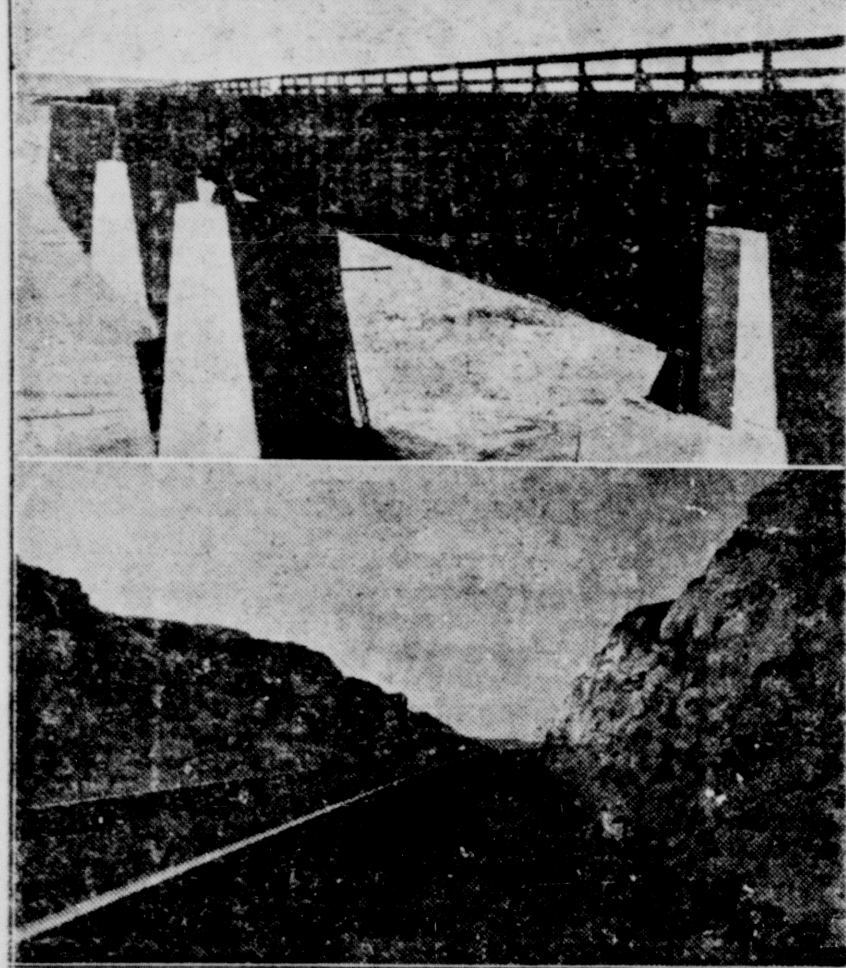

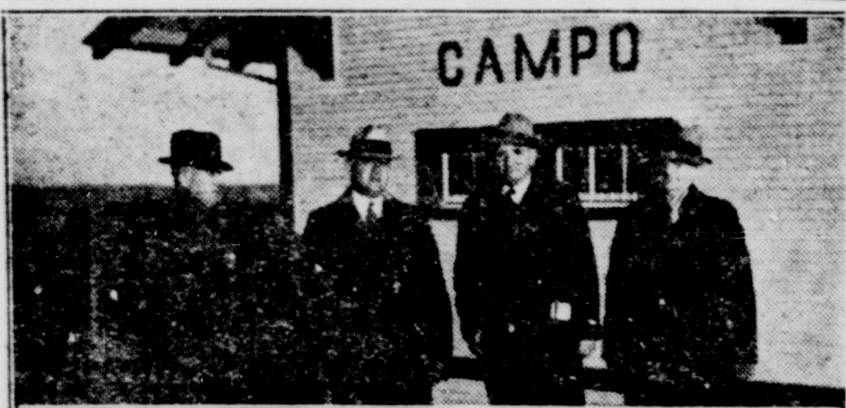

Bridge was the diversion during the afternoon, followed by the service of a refreshment plate consisting of salad, chess pecan pie, and coffee.

Prizes were awarded at the conclusion of the games to the honoree and the two high score winners.

Present for the delightful occasion were Mrs. Harrell, Mrs. T. H. Knighton, Mrs. C. W. Warwick, Mrs. J. W. Kleinschmidt, Mrs. M. S. Bishir, Mrs. C. L. Thompson, Mrs. J. D. Barker, Mrs. Lee Foster, Mrs. W. C. Black, Mrs. Grady Oldham, Mrs. J. H. Rose, Mrs. W. L. Smith, and the hostesses.

Mr. and Mrs. Ben Pearson of Le Fors visited friends in Canyon Saturday.

## Santa Fe Will Open New Short Line, February 1

In completing a new line from Boise City, Okla., to Las Animas, Colo., the Santa Fe Railway slashes its distance between Denver and the Gulf, and establishes a new outlet for a great agricultural empire consisting of Eastern Colorado, Western Kansas, the Oklahoma Panhandle, West Texas and part of New Mexico. Opening of the line, February 1, will be featured by special trains sponsored by Denver, Pueblo, Amarillo and other towns which will benefit by the new service. In upper picture, Santa Fe officials are shown inspecting the new station at Campo, Colo. Left to right: W. W. Kelly, chief engineer, and H. B. Lautz, general manager, both of Amarillo; W. H. Rochester, construction engineer, Chicago, and J. C. Barton, division superintendent, Pueblo. Center: Steel and open deck pile trestle bridge over Two Buttes Creek, north of Springfield, Colo. Lower: New line passing through rock cut, near the Cimarron River.

**WOMAN'S BOOK CLUB  
ELECTS NEW OFFICERS**

Election of officers was the outstanding business of the session of the Woman's Book Club which was held yesterday afternoon with Mrs. A. W. Sternberg presiding. Mrs. T. M. Moore is the new president and her fellow officers are Mrs. R. A. Neblett, vice president; Mrs. M. S. Bishir, secretary; Mrs. J. W. Kleinschmidt, treasurer; Mrs. John B. Pope, critic; Mrs. Dan Sanders, parliamentarian; Mrs. C. A. Murray, Federation Councilor.

On Wednesday's program were Mrs. M. S. Bishir, Mrs. R. McGee, and Mrs. Floyd Dunaway, presenting the country of Australia as affected by the geographical conditions and reflected in a recent novel.

On February tenth the club will meet at the home of Miss Mary E. Hudspeth for a program which will open a half year's study of Our Latin Neighbors. On the program will be Dr. Hattie M. Anderson and Miss Mary E. Hudspeth.

Members of the Junior Woman's Club will be guests of the Woman's Book Club on that occasion. The meeting will be at three o'clock.

**VALENTINE MOTIF IS  
FEATURED AT PARTY**

Members of the Las Senoras Nuevas Club were delightfully entertained at the home of Mrs. A. K. Goodman Wednesday afternoon. Tables arranged for bridge featured the Valentine motif and the refreshment plate carried out the red and white color scheme.

Present were Mrs. Hud Prichard, Mrs. Owen Williams, Mrs. R. E. Ball, Mrs. Levi Cole, Mrs. J. D. Barker, Mrs. Newton Crain, Mrs. Robert W. Foster, Mrs. J. Madison Daugherty, Mrs. Warren Johnson, Mrs. Mitchell Jones, Mrs. W. E. Miller, Mrs. Andy Walsh, and the hostess.

**W. T. FRESHMEN TO MEET  
ALTUS FIVE SATURDAY**

The W. T. Freshmen basketball team under the direction of Coach Bob Cox, will meet the Altus Junior College of Oklahoma team in Burton Gymnasium here Saturday night at 7:30 o'clock. Admission will be 10c and 25c.

W. W. Richeson left Tuesday for Omaha. He won the trip as the result of insurance sales for his company, the Guarantee Mutual Life Insurance Company. Mr. Richeson is district manager with headquarters at Lubbock, but spends some time each month with his family in Canyon.

Dick Hughes, a former student of the College, received the National Junior Chamber of Commerce award for outstanding service in his community. He is now a resident of Pampa.

# 25,000,000 FORD CARS

The 25,000,000th Ford car was manufactured last week by the Ford plant. What stronger recommendation could be given to an automobile than to say—

"More Fords have been manufactured than have been produced by all other automobile concerns combined."

See and try the New 1937 V-8—The best car Ford has ever produced for the use of the public.

## Walter Irvin, Inc.

Northwest Corner of Square

Canyon

**THE GREAT AMERICAN HOME**

Dr. Hattie M. Anderson entertained the members of Alpha Chi with a theater party Tuesday afternoon, when they enjoyed "Roméo and Juliet." Her guests were Miss Edna Graham, Mr. and Mrs. Leon Lassers, Mr. and Mrs. D. A. Shirley, Messrs. Otis Harmon, J. J. Richeson, Don Savage, Ross Wilson, Duth Dill, Roach Allen, Landon Terry, Misses Maria Wade, Ona Mae Harris, Royce Park, Georgine Henson, Irene Coke, Mildred Lindsey, Mary Kate Brotherton, Ruth Mary Kinard, Virginia King, Marjorie Tankersley, Christine Cousins, Hilda Miller and Louise Hamm.

Guests Monday and Tuesday of this week in the A. W. Sternberg home were Mrs. Sternberg's sisters, Mrs. Morris Randall of Seamore, and Rev. and Mrs. Ben Hardy of Tahoka. They were here attending the Bishops' Crusade in Amarillo. Mrs. Randall is president of the northwest Texas Missionary Societies of this conference.

Miss Marcelle Brewer who will enter college here next week has been the honoree at several pleasant social affairs in Dalhart recently. She has taught there for several years. Miss Brewer is a sister of Mrs. Lee Foster and has visited here many times.

Bill Castleberry is in Borger this week assisting in the moving of the M. E. Moses store to a new location.

Mr. Vineyard of Amarillo came Tuesday to spend two weeks with his sister, Mrs. Edward Cole and family.

Miss Katherine Springer visited from Wednesday until Sunday with her sister, Mrs. C. P. Robertson of Jowell.

President J. A. Hill has been in Austin all this week transacting business for the college.

Mr. and Mrs. J. H. Black spent Sunday in White Deer.

**Nursery School Is  
Closed For Seven  
Children of City**

Seven little children of Canyon ended their first school experience last Friday, when a two weeks' session of a nursery school closed.

This school was a project of one of the classes of the Home Economics department of which Miss Orpa Dennis is head. Miss Fern Bowman of the department supervised the project, which had for its purpose giving the girls an opportunity to become acquainted and work with some children, and to observe the methods that are used in establishing desirable habits.

The children enrolled were Chandler Foster, son of Mr. and Mrs. Robert W. Foster; Jimmie Cundiff, son of Dr. and Mrs. E. J. Cundiff; Florence Marie Coffey, daughter of Mr. and Mrs. Herschel Coffey; William Avant Smith, son of Mr. and Mrs. W. L. Smith; Shirley Jean Goodman, daughter of Mr. and Mrs. A. K. Goodman; Marshal Jones, son of Mr. and Mrs. Mitchell Jones, and Martha Lee McFarland, daughter of Mrs. Gwen McFarland.

There were twelve home economics majors who participated in the nursery school, which is a regular part of the year's work.

**Pierce News**

Mr. and Mrs. Sam McCraw spent Saturday in Hereford with their daughter, Mildred.

Mr. and Mrs. Frank Moss and Jessie, motored to Muleshoe Sunday and visited Mrs. Moss' two sisters.

Mrs. Johnnie Gum is able to be up again after a siege with the flu.

Frank Garrett, Jackie and Jean were Amarillo callers Saturday.

Mr. and Mrs. Ollie Grabbe of Plainview were up over the week end visiting relatives and paying taxes on their property here.

Mary Ellen and Artie Lee Davis visited Mrs. Johnnie Gum Saturday.

Mr. and Mrs. John Boling visited Mr. and Mrs. Wm. Grabbe Sunday afternoon.

Mrs. Frank Moss visited Mrs. Johnnie Gum Tuesday.

T. R. Davis was in Amarillo on business Saturday.

**Zita Breezes**

Mrs. H. B. Hales and daughters Elizabeth and Martha, and Mrs. Lucy Prewitt visited Mrs. Alva Slay in Amarillo Friday afternoon.

Mrs. Emma Gruner is reported to be recovering from pneumonia.

Mrs. Eula Watson, Mrs. E. M. Elliot, and Charles Hall visited Mr. and Mrs. Sam Elliot in Dumas Sunday.

Miss Parker motored to Canyon on business last week end.

Mr. and Mrs. John Moody and Mary Ben returned from Dallas last week.

**EPISCOPAL CHURCH**

The Rev. Frederick A. Foster of St. Andrews Episcopal Church, Amarillo, will conduct the Service of Evening Prayer at All Saints' Episcopal Church, Sunday at 7:30. Following the service, there will be a social hour at the Little House of Fellowship. All persons are cordially invited.

Mr. and Mrs. Felix Pierce and Fannie Alice visited at the home of her mother in Floydada Sunday.

## Industrial Arts Class Holds Exhibit of Interesting Projects

The class in Industrial Arts in the Primary Grades of W. T. taught by Miss Anna I. Hibbets, displayed an exhibit of its projects in the Education Building Friday.

The class of sixteen students displayed a variety of interesting projects. Models of a post-office, cotton plantation, Panhandle Indian home, modernistic home, wool store and sheep fold, ant home, furniture large enough for children to use, a doll house, puppet show, and farm units, were included in the exhibit. The house models were completely furnished, even to the pictures on the walls. The miniature cotton farm and cattle ranches seemed real with their growing cotton and cattle herds. The Panhandle Indian home was interesting and had much educational value for children. The house was made of Potter County clay and all material possible was gathered about Indians of the early days of the Panhandle region.

Each project was accompanied by a written history of the article which it represented. Various

compositions on the history of rubber, paper, chewing gum, dye, trees, and wool were displayed.

The students constructed these exhibits and models from scrap material which included packing cases, rocks, sticks, and even discarded ice cream spoons, which appeared as the base of an attractive lamp.

The purpose of this exhibit was to show how prospective teachers learn to secure and use materials in work with and for small children.

Members of the class are: Mrs. R. E. Harter, Canyon; Beth Word, Alanreed; Rena Davis Johnson, Amarillo; Lou Ella McDade, Dumas; Addie Allred, Canyon; Virginia Kirk, Harold; Elnora Julch, ginia Kirk, Harold; Elnora Julch, Lucille Persons, Quitaque; Marie Stedje, Texhoma, Okla.; Mrs. Maurice Bewley, Canyon; Grace McKee, Canyon; Virginia Reddell, Tulla; Mary E. Powell, Clarendon; Dickie Ricks, Canyon; Mrs. Lottie B. Cosby, Amarillo; Kathleen James, Amarillo; Zua Gae Warner, Amarillo; and Helen Helton, Canadian.

**Airplane Sign on  
Ford Building Is  
Completed by WPA**

The new airplane sign on the Ford building at the northwest corner of the square was completed yesterday by WPA.

The sign directs planes to the Amarillo airport. Signs are being erected in all towns bordering the transcontinental air lines in order to direct planes to the airports of the main lines. The sign will be of great value to pilots who be-

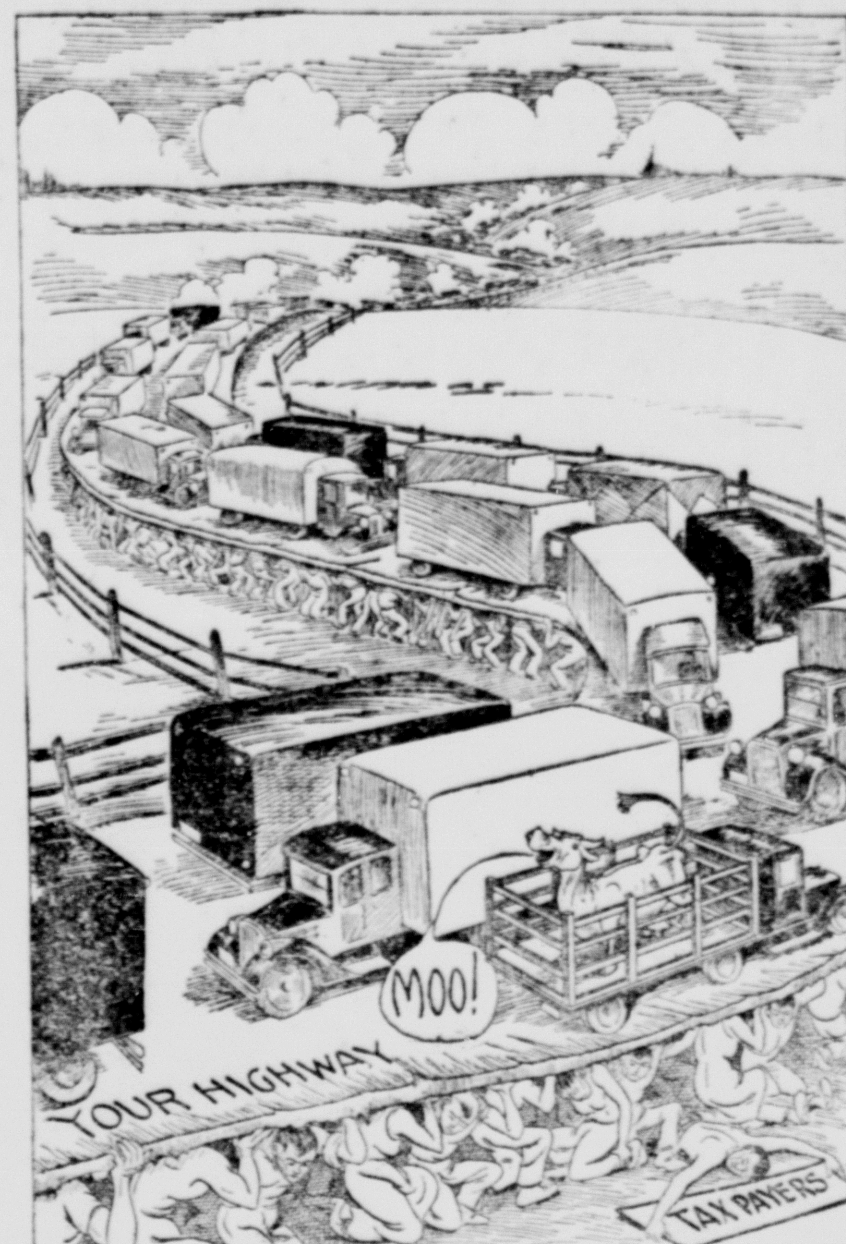

come lost in storms or in mist. Clyde Warwick, owner of this building, gave permission to the government to erect the sign with WPA labor.

**PRESBYTERIAN CHURCH  
Church School at 9:45.**

Morning worship at 11. Mr. Dickey wants every member to attend this service, if it is at all possible.

Pioneer C. E. at 6:45. Evening worship at 7:45. Moving pictures of Whitman-Spalding journey. Texas Centennial of Presbyterian and pictures of the summer conference.

Help Keep Canyon Clean!

**MERRILY WE ROLL ALONG!**

Texas taxpayers have contributed Seven Hundred Million Dollars to enjoy this privilege.

Wesley and Sewell Cox are home from Abilene, where they are attending A. C. C. Chesley McDonald, a fellow student, accompanied them here for the short vacation they are having this week. Mr. and Mrs. T. C. Thompson left Sunday for Dallas to attend the convention of the Texas Hardware and Implement Association. Mr. Thompson is a director in the association.

# Buffaloes Will Play Simmons Monday - Tuesday

## Buff To Play Simmons Here on Monday-Tuesday

Change in Dates Made Yesterday Following a General Shake-Up in Buff Schedule

Hardin-Simmons of Abilene will play the West Texas Buffaloes in Canyon next Monday and Tuesday nights at Burton Gym.

The change of dates was made necessary yesterday morning, states Coach Al Baggett, and followed a number of upsets in the schedule which was announced at the first of the season.

Changes started last Thursday when the Buffs had to go to Oklahoma City to play the University Friday and Saturday, instead of at the scheduled time the latter part of next month.

Then Texas Wesleyan could not come this week, so the Panhandle Aggies were switched to the first of the week.

Next came a change in the Simmons date. The Buffs were scheduled to play in Abilene next week, but this date was changed to February 22-23.

Coach Baggett is hoping that no more changes will be necessary for the season.

Hardin-Simmons has one of the fastest teams in the state and has been winning practically every game. The Buffs have not lost a game in Burton Gym this season, but have met with disaster on the road trips. The tall boys are making a desperate effort to be in shape for the strong visitors when they invade Canyon next Monday and Tuesday nights.

"We are expecting a hard battle, but will be ready to give them everything we possess," stated Coach Baggett yesterday.

## Yearlings Break Even on Two-Game Series at Clovis

Coach Bob Cox's West Texas Yearlings split a two-game series with the Eastern New Mexico College Friday and Saturday on a neutral court at Clovis, N. M.

The New Mexicans took the first encounter by 36-22 and the second fray ended with the W. T. frosh on the long end of a 27-24 score.

E. C. Payne, guard from W. T. was the stellar performer of the first game. He took individual scoring honors with a total of 10 points and turned in a brilliant defensive game. Gentry, forward for the New Mexicans was second in total points with 7.

Don Kendrick, 6 ft. 2 in. Yearling tip-off artist, and Edward Mills, also of W. T. pounded the hoop with consistency and contributed most of the tallies. Kendrick amassed 10 points and Mills came through with 9 although playing only half of the game.

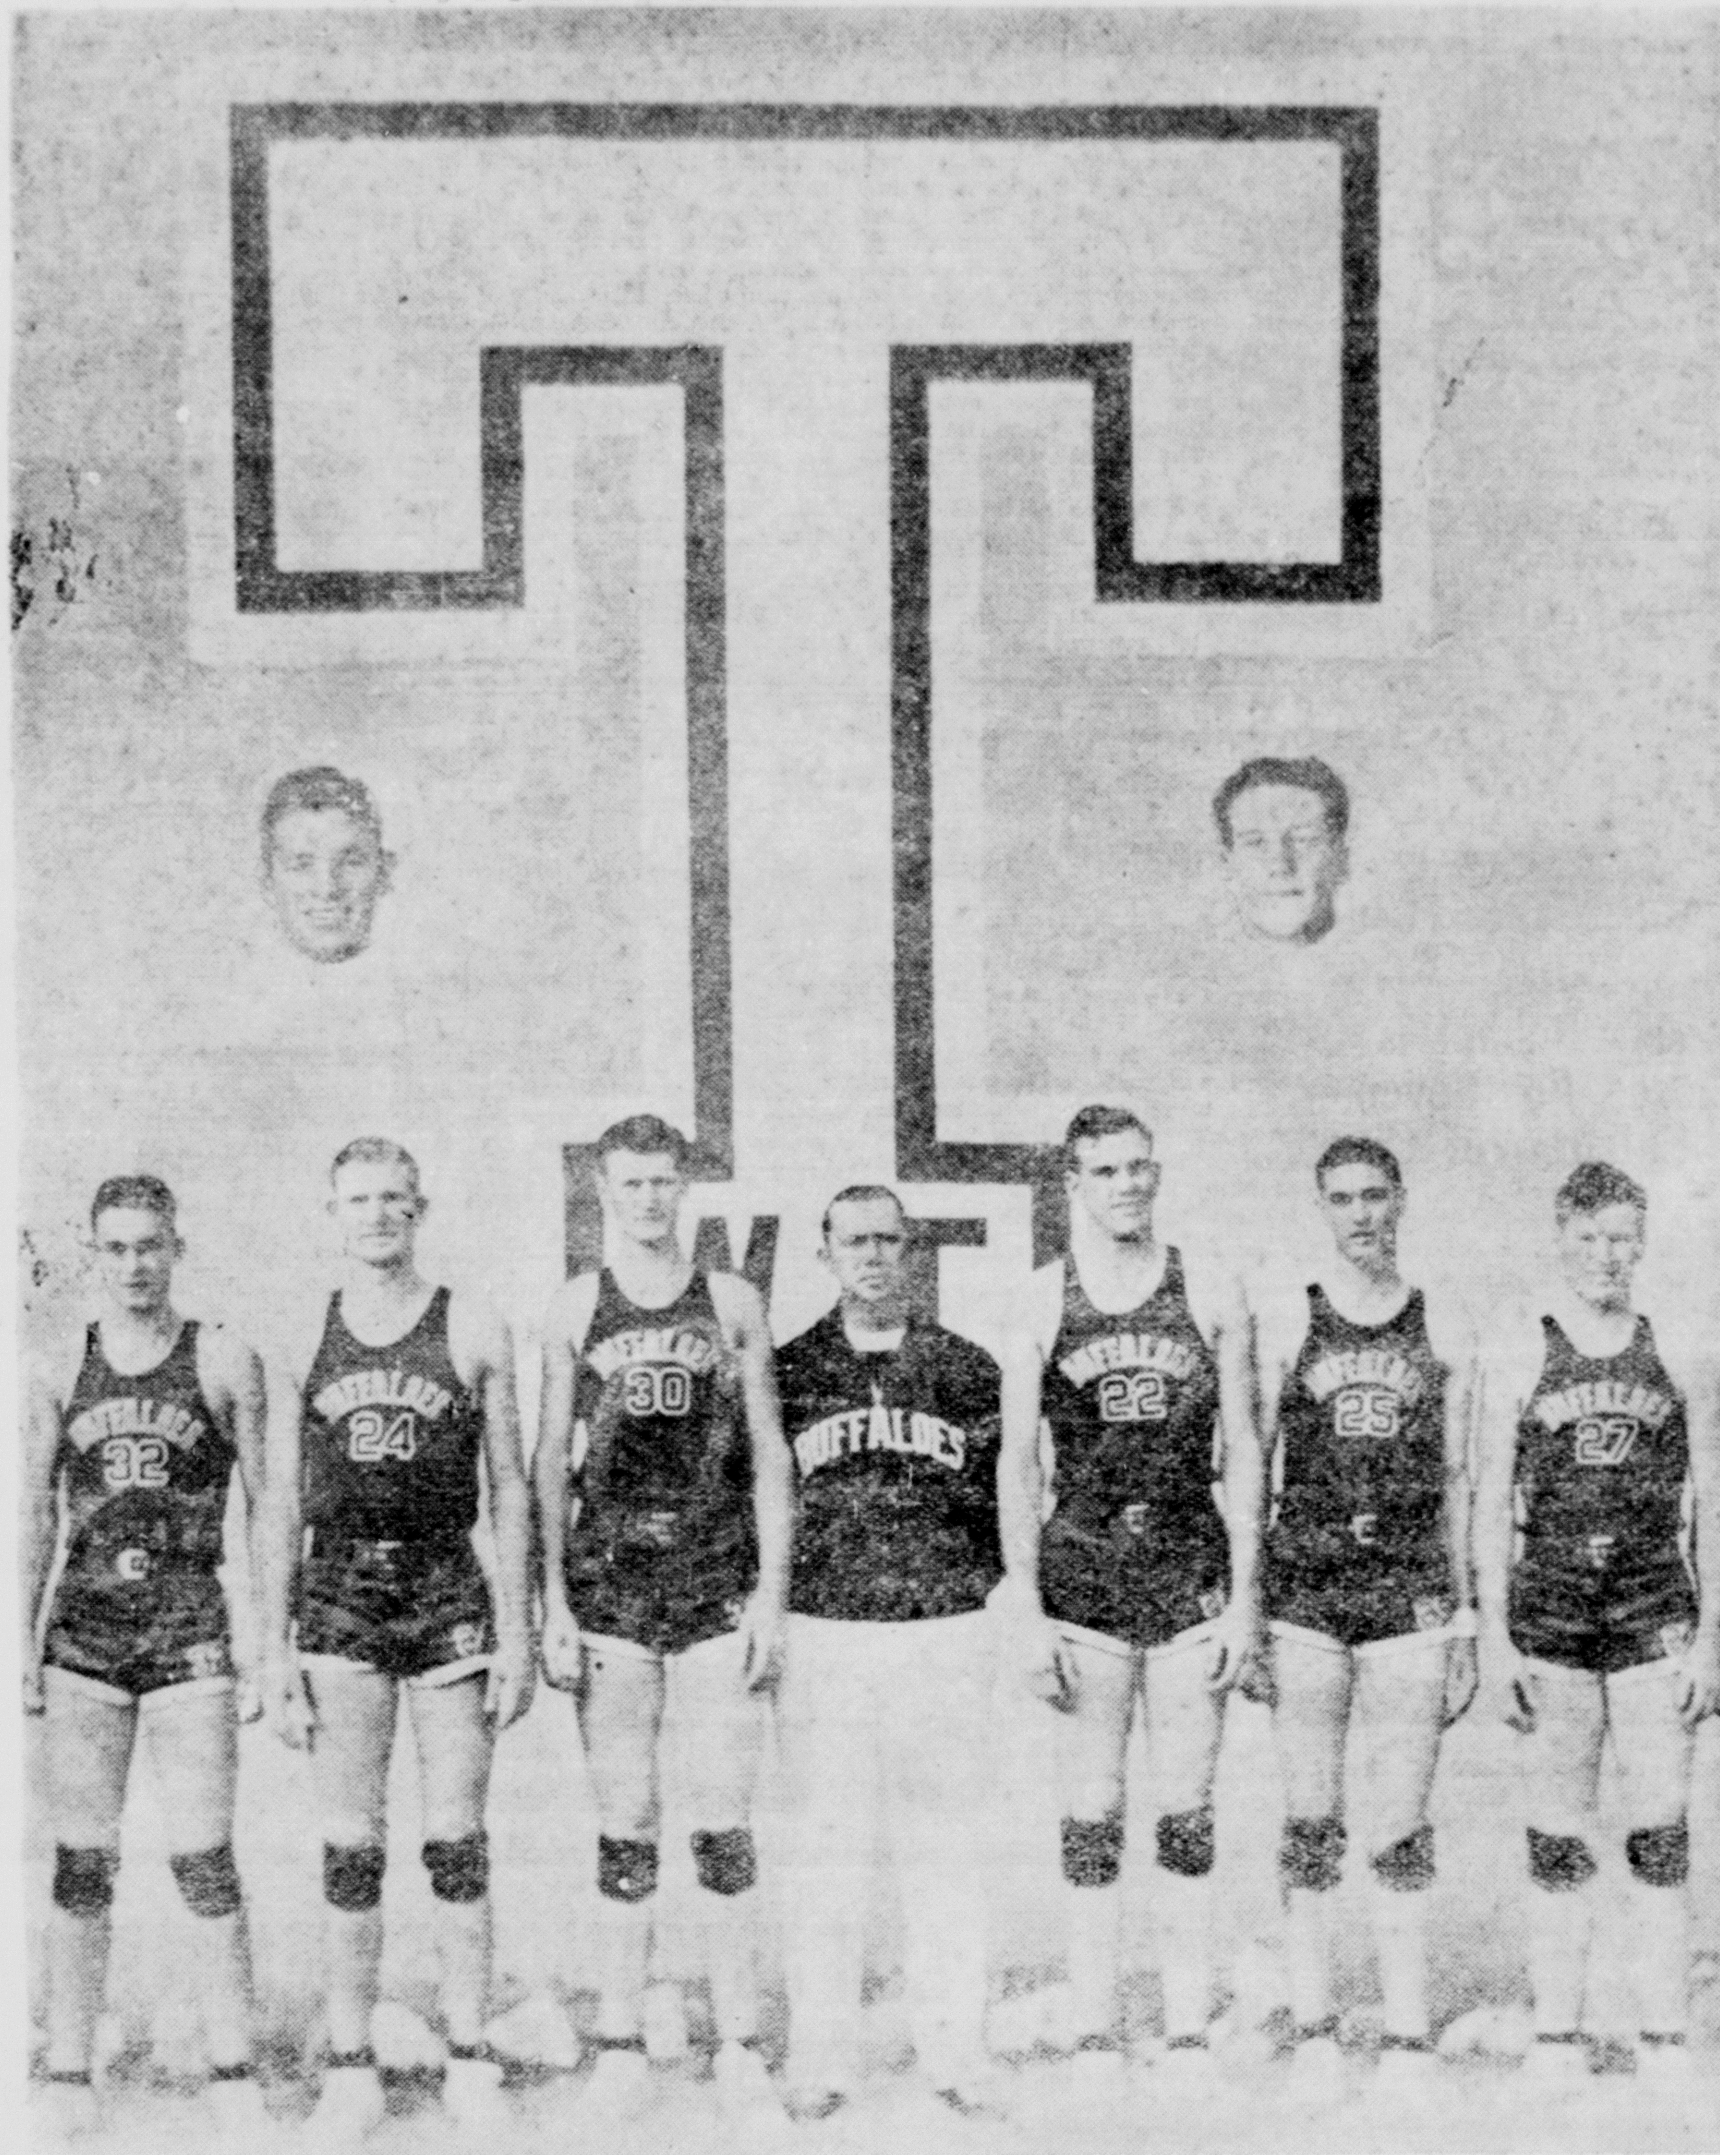

The frosh will play the formidable Altus, Oklahoma Junior College here Saturday night in Burton Gymnasium.

## Buffalo Netmen Get Invitation To National Tourney

Tennis Coach W. E. Lockhart received a letter Thursday as an invitation to bring the West Texas State tennis team to the National Intercollegiate Tennis Tournament which will probably be held in Austin in the latter part of June. Dr. C. A. Penick, president of the Texas Tennis Association, is conferring with the officials of the National Lawn Tennis association, and reports favorably toward securing for Texas its first national intercollegiate net-meet.

As yet Coach Lockhart has not accepted the invitation, but it is probable that he will do so if the meet is to be held at Austin. It is specified that an invited college bring four eligible participants. These four places will be filled by last fall's successful four-man squad of: Darrell Hemphill, George Smalley, Norton Curry and Glyndon Riley.

## BUFFALOES ARE A TALL TEAM

The West Texas Buffalo squad is one of the tallest ever to represent W. T. Coach Al Baggett, shown in center of photo below, is a tall man himself, but compared to some of his sophomore giants, he is just

a little fellow. Reading left to right standing, are Melvin Cullen, six-foot, four-inch guard; Lother Stephenson, six-foot, six and one-half inch forward of Anton; Ben Arthur, six-foot, seven-inch forward of Ralls; Coach Bag-

gett; Raymond Shackelford, six-foot, eight and one half inch center of Tell; John Willingham, six foot, six and one-half inch guard of Samnorwood; and Craig Walling, six-foot, three-inch guard of Farwell. Head inserts show Con-

ward of Turkey, left; and Captain Lawrence Clark, five-foot, 11-inch guard of Turkey. Of the group shown, only Butler, Walling, and Clark have had previous varsity experience.

## Buff Lose To Goldbugs While In Sooner State

### Loss of Shackelford In Games Greatly Handicapped Buffaloes in Fast Games

It was the unerring aim at the free throw line that gave the Oklahoma City University's Goldbugs a twin victory over the giant West Texas Buffaloes by consecutive counts of 32-28 and 37-34 in Calsen Gymnasium at Oklahoma City Friday and Saturday.

In the opening fray, the Goldbugs converted on six out of seven tries from the unguarded line while the locals were able to cage only two of their 11 free throws, which in itself accounted for the margin of victory. Jess Fronterhouse, Goldbug guard, dumped the basket for 11 points to lead the parade. Captain Lawrence Clark paced the Buffs with a total of nine points.

The Buffs were leading by a 24-20 count at half time in the last game when Red Dunford and Fronterhouse connected for several baskets to deadlock the count with only a few minutes to play. Despite the accuracy of Stephenson and Butler to hit the hoop, the Buffs could not check the Goldbug march when once they hit their stride. Dunford led the scoring with 11 to his credit, followed by

Stephenson and Butler with ten each.

In both games the Buffaloes were handicapped by the loss of Raymond Shackelford who was ejected by fouls. Joe Hayes, starting forward, was ousted in the closing fray by a foot injury which will probably keep him on the sidelines for a week.

Box score for the second game:

GOLDBUGS (37)	fg	ft	pf	pts
Rentfro, f	1	0	2	2

## Aggies Fall In Two Games With The Tall Buffs

### Game Tuesday Was Closest Witnessed on Burton Floor: Monday's Game Was Easily Buffs

West Texas Buffaloes added another pair of games to their wins of the season by defeating the Panhandle Aggies of Goodwell, Okla., Monday and Tuesday nights.

Monday night's game was a rather lop-sided affair for the Buffs as the visitors could not get steamed up. The Buffs took an 18-3 lead early in the first half, with a lead of 25-13 at the end of the first period.

Butler accounted for 13 points, while Clark turned in a fine defensive performance and annexed eight points. Cutter and McKee led the visitors.

The Box score:

Tuesday's Game  
The game Tuesday night was a

tough one for the Buffs, with the visitors leading most of the way. The Buffs lead at the half 9-8, and nosed out the visitors 29-25 for the final score. Only a handful of spectators were present to see the closest game played at Burton Gym this year.

The Buffs had difficulty in hitting the basket on crisp shots, which was responsible for the very low score.

Humphreys, Aggie forward, and Yates, Oklahoma guard, got hot early in the final period and draped the basket frequently to give the Goodwell boys a lead they held until the last five minutes of play. With that scant margin of play left, the Buffs took the lead at 23-22 and held it the rest of the game.

Humphreys took the scoring honors with 11, with Shackelford, Buffalo center, tying Yates for the close second place with 10 points.

Butler's fine defensive work at guard for the West Texans was one of the strong reasons for the Maroon's victory.

The Box Score:	fg	ft	pf

**"A BOOSTER IS A BOOSTER WHO HELPS A  
BOOSTER BOOST!"**

# BOOST FOR CANYON

*Are you a BOOSTER?*

*A majority of the residents of Canyon and vicinity  
are genuine boosters for their home community.*

*We are proud of that fact.*

*Why not make it UNANIMOUS, folks?*

*A town community that is good enough to reside  
in, good enough to earn a livelihood in—is good enough  
to BOOST.*

*Say a good word for Canyon whenever the oppor-  
tunity presents itself. Boost the institutions which are  
located in Canyon. Boost the business and professional  
firms in Canyon. Patronize those who make possible  
the advantages you find in Canyon.*

*Frown on the knocker if you should see him at  
work with his little hammer. Explain to him the error  
of his ways, that he, too, may become a Booster.*

*All together—for Canyon—BOOST!*

We Are Prompted to Sponsor This Message to the People of Canyon and Vicinity Through Our Interest in Community Welfare.

## Wayside Items

Rev. Chas. Odom of Plainview filled his regular appointment Sunday.

Mrs. Ida Sluder celebrated her 79th birthday Sunday. Those present were Mrs. Fannie Franklin and Fannie May, M. C. Sluder and family from Happy, J. S. Sluder and wife, also Atlas Modisette, and Leona Rogers. Mrs. Sluder is in fair health for one of her age.

John T. McGhee and Ben Mills, also W. J. Sluder made a trip to Tulsa last Wednesday.

Fannie May Franklin spent the week end with Inez Shipman.

Jack Foster and family visited in the Albert Byars home in Canyon Sunday.

Shirley and Fern Byars of Canyon visited in the Jack Foster home Sunday night and Monday.

Mr. and Mrs. Cecil Buck visited in the parental Buck home in Tulsa Saturday.

Mr. and Mrs. Eddie Mahler and three younger children went to Wichita Falls Sunday to attend the funeral of an uncle of Mr. Mahler's.

Mr. and Mrs. Lem Fisher made a trip to Amarillo Monday.

W. R. Franklin and W. J. Sluder made a business trip to Happy Monday.

Joe Rogers and family called on relatives in Canyon one day last week.

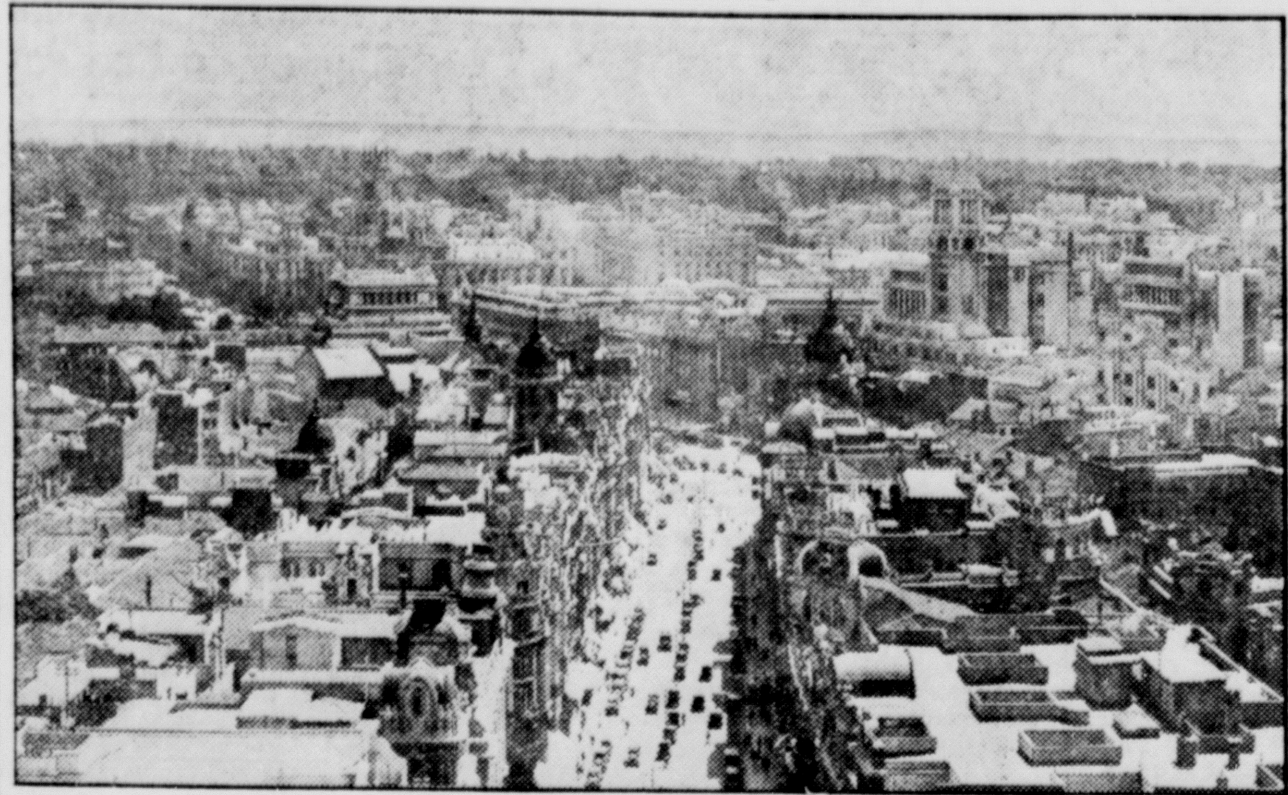

## Palo Duro Peeps

Mr. and Mrs. J. C. McClendon and family were dinner guests in the F. R. Marsh home Sunday afternoon.

The Lutheran Young People's Society met in the home of Mr. and Mrs. E. H. Albers Friday evening. They also celebrated Phyllis Albers' 19th birthday.

Rev. and Mrs. H. R. Frerking and family and Misses Clara and Dora Miller of Amarillo were sup-

## Peace of Europe Sways as 'Gay' Madrid is Bombed

Madrid, traditionally 'gay' European capital, became a city of death and terror as Fascist forces attacked it in a final drive to overthrow Loyalist powers. Squadrons of low-flying insurgent planes blasted at the capital, shown here, while all Europe shuddered at the implications of the bloody Spanish war. Men and women noncombatants fled Madrid under shellfire. Government anti-aircraft batteries directed a steady barrage at enemy planes in a last effort to save the metropolis. For weeks Spanish rebel forces aimed at the capital at the climax of their long drive to put Fascism in control in Spain.

per guests in the Henry Miller home Sunday evening.

Mr. and Mrs. C. W. Bauer and family spent Sunday in the parental Gus Leseberg home.

Mrs. Albert Meyer will entertain the Lutheran Ladies' Aid next Thursday.

Several young people of this community attended the surprise party given in the G. A. Reynolds home.

One of the main uses of a government is to have something to blame everything on.

## Floods Wreak Havoc in Seven States

Fast-rising waters, coming behind heavy rain and mild weather, brought flood disaster to portions of seven states, leaving thousands homeless and property damage of hundreds of thousands of dollars. Flood waters raged in Indiana, Kentucky, Illinois, Pennsylvania, West Virginia, Ohio, and Missouri. Above, a family is shown after rescuers reached them in the inundated east end section of Cincinnati. Government observers said it was the second time in history that the entire 1000 miles of the Ohio river was flooded.

Australian woodpeckers, whip and knife throwing act, after being a hit all week here, missed the final performance at the opera house here, due to injury. Just before the last show the head knife thrower had an accident in his dressing room. He cut himself while shaving. Jollop (Mo.) Dispatch in Variety.

That Wellsburg, W. Va., woman who boasts that she is 120 years old makes us wonder where the turning point is that makes it safe to ask a woman's age.

A college football coach says the most important factor of a good football team is that the boys must like to play football. In other words, they must like their work?

The University of California believes it has the best fish story yet, a story of a fish caught in a tombstone. It was a fossil. The angler must have used a stone boat.

When our sovereign was born he was given among many qualities the rare bloom of youth.—London Sunday Times.

R. C. Buerki, past president, American Hospital Association: "There is already too large an army of successful business men who after acquiring a fortune, spend their few remaining years and most of their money, seeking their lost health."

## MILK MUST BE Sold

Milk salesmanship is vital to the dairy farmer. Bottle by bottle and pound by pound, milk and its products must be sold to the millions. Selling is the final step that turns milk into money. For 79 years Borden has worked at this highly specialized job of selling. Every day Borden advertising and Borden salesmen in this and other lands are at work selling the products of milk. Constant year-in and year-out effort to broaden the market is one reason why America has become the world's largest producer as well as the largest consumer of dairy products. The dairy farmer benefits accordingly.

## Work For Year Will Be Planned Cemetery Workers

Officers of the Dreamland Cemetery Association have named committees for the year's work and call upon members to meet at the court house on Saturday, Feb. 5th, for the purpose of outlining work for the coming year.

Plans are being made to put down another well, which will insure sufficient water for all irrigation purposes.

Dues of \$1.00 per year are now payable to Mrs. Clyde McElroy, secretary of the association.

The following committees have been named:

Flowers and beautification: Mrs. John Fry, Mrs. C. L. Thompson, Mrs. C. N. Harrison, Miss Pearl Black.

Map: Mrs. M. S. Bishir, Mrs. Elzie Price.

Membership: Mrs. Levi Cole, Mrs. J. M. Daugherty, Mrs. M. E. Cleavenger, Mrs. Harry Woods.

## Past Presidents Talk to Rotarians at Tuesday Lunch

Past presidents of the Canyon Rotary Club made short talks Tuesday on the things which they wished had been accomplished during their administrations.

Joe Hill, first president, was absent.

Doug Shirley, second president of the Club, presided.

Clyde Warwick, third president; Oscar Gano, fourth president; Sylvester Ingham, fifth president; Bob Jarrett, sixth president; and Irby Carruth, seventh president, all made suggestions regarding the welfare of the club.

Miss Lola Gene Howard furnished a group of musical numbers.

Visitors present were: W. S. Norman and L. A. Wells, both of Amarillo; J. W. Shook of Canyon.

## Second Semester

(Continued from last page) planned that anyone interested in taking only a small amount of work may enter at a much reduced fee. Attention is especially called to the possibilities which private lessons in Music and Speech, the courses in Commerce and Bible offer for personal development and pleasure even to people who have only a small amount of time to spend in study.

Three Bible classes will run during the spring, with Miss Ocie Sanders in charge of each. The subjects will be "Introduction to the Literature of the New Testament," "The Prophetic Books of the Old Testament," and "The Rise and Development of the Early Church." These courses will be much enriched by the new books which have been recently added to the Bible library through an appropriation made by the Women's Missionary Societies of the Northwest Texas Conference.

Regularly scheduled bus service in Canyon and the College-operated bus service between Canyon and Amarillo are making it possible for many people who have limited spare time to take one or two college courses.

## Little Is Placed on Four Committees of the House

State Representative G. H. Little has been placed on four of the major committees of the House when the Speaker announced his appointments Monday. Little is serving his first term in the legislature.

Committees on which the new representative was placed are:

Game and Fisheries.

Insurance.

Judicial Districts.

Oil, Gas and Mining.

The latter committee probably handles more work than any committee of the House, with the exception of the Appropriations committee.

## State Official on Visit Praises W. T. Home Ec. Work

Miss Ruth Hughey, head of the Vocational Home Economics Division of the State Department of Education, conferred with President J. A. Hill and Miss Orpa Dennis, head of the Home Economics Department of W. T. last week. Her visit was to assist them in their plans to make the department more efficient.

Miss Hughey said "The College here at Canyon has many graduates who are rendering splendid service to the schools and communities in which they are working." She mentioned especially the excellent work of Miss Fannie Sue Brasuel, Canyon; Mrs. Carroll Souther, Miss Mary Ellen Morgan, and Miss Marie Gardner of the Amarillo High School, and Mrs. Gordon Whitener of Wheeler.

## New Base on No. 9 Placed North of the Viaduct

The old caliche pavement north of the viaduct on highway No. 9 is being replaced with new caliche, and will be topped. The base will be the same width as the concrete pavement, but will be widened at the same time that the other widening is done.

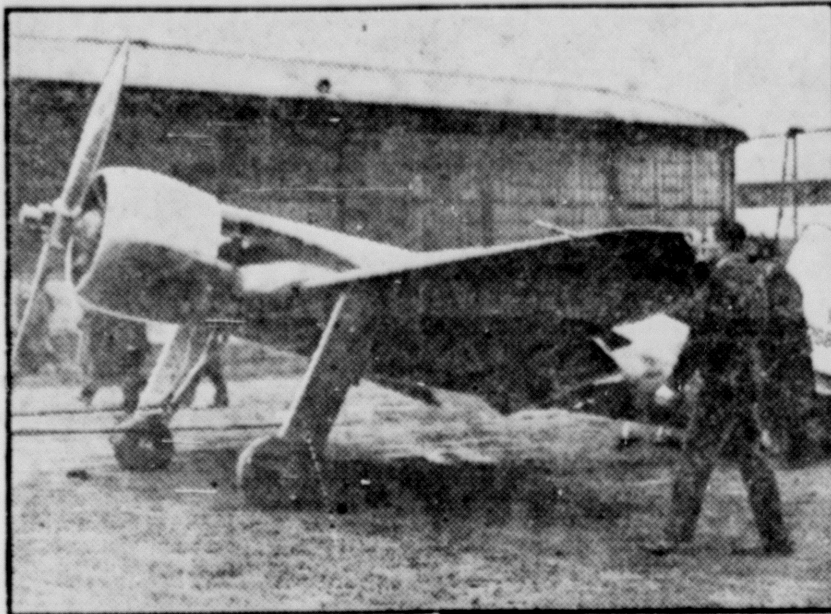

Rip-rapping of the viaduct cut is progressing rapidly. Provision is being made to plant cedar trees and trumpet vines in the cut for decorative purposes.

E. H. Gohmert, engineer, has received no word as to how widening of the two bridges north of Canyon will be handled. This kind of work is usually done by contract rather than by WPA labor.

Mrs. W. A. Cates called to see Mrs. D. S. Hill last Wednesday afternoon.

P. V. Winstead is doing a paint job at the Cates home this week.

## Flies Coast to Coast in 71-2 Hours!

Exactly 7 hours 28 minutes and 27 seconds out of Los Angeles, Howard Hughes, millionaire flyer shown right, set his silver monoplane down at Newark airport to break the non-stop speed record which he established a year ago. Flying the 2490 miles in the plane shown above, at an average speed of 332 miles an hour, Hughes cut one hour, 56 minutes and 43 seconds from his previous record. He flew at 20,600 feet much of the time. Hughes narrowly averted disaster when his oxygen apparatus failed to function high over Winslow, Ariz. He was losing consciousness when he nosed his ship down and recovered.

## W.T. Summer School Appropriation Was Set at Sum \$16,277

An appropriation for \$16,277 to pay for summer school in W. T. was introduced in the legislature this week. The amount is the same as allowed last summer by the legislature, and is based upon

the attendance. The Board of Control has not announced its recommendation to the legislature for the regular appropriations bill.

### CHURCH OF CHRIST

Earl L. Craig, Minister  
The public is cordially invited to attend the following services:  
Bible study classes for all ages Sunday beginning at 10 a. m.  
Preaching Sunday beginning at 11 a. m. and 7:30 p. m.  
Lord's supper at 11:45 a. m. and 8:15 p. m. Sunday.  
Young people's meeting beginning at 6:45 p. m., Sunday.  
Ladies' Bible study class beginning at 3 p. m., Wednesday.  
Devotional service and Bible study Wednesday beginning at 7:30 p. m.  
Come and enjoy these services with us!

Mrs. D. E. Hooks of Iowa Park is visiting for a few days with her friend, Mrs. Harriet Palmer.

Guests of Mrs. Robert Hunt this week are Mrs. Erel Blackburn and daughter, Betty, of Amarillo.

Mrs. W. A. Cates visited Mrs. David Horn of Canyon Wednesday afternoon.

Mr. and Mrs. R. E. Ball and family visited at the home of his sister in Tulsa Sunday.

Help Keep Canyon Clean!

## 150 Delegates of Methodist Churches Coming on Tuesday

The Missionary Institute for the Methodist churches of the Amarillo district will be held next Tuesday at the local church. 150 delegates from the churches of the district are expected to attend.

Dr. C. A. Bickley of Big Spring and Presiding Elder J. O. Haymes of this district will conduct the institute.

Mr. and Mrs. David Horn of Canyon spent the week end in the parental Cates home.

There is still hope as long as we can chaff about the drought. We heard a fellow say it went against the grain—Omaha World-Herald.

What if the platform isn't carried out? Nobody tries to preserve the bait after it has caught the fish—Toledo Blade.

That Cleveland, O., woman who fractured her neck while sleeping must have been thrown by a nightmare.

Children learn much from their adult companions—that's mostly what is the matter with children.

Canadian birth rate in 1935 was 20.2 births to the thousand. United States had only 16.8 births to the thousand, but then the U. S. wasn't entered in a derby.

Nothing but death will stop the homing flight of a homing pigeon which leads us to believe that the trailer era is going to be mighty hard on these little birds.

A. A. Berie, Jr., New York official: "War in Europe is not a remote possibility but and extremely dangerous threat."

Emil Ludwig, German writer: "The explosion will be touched off by Japan, which will become engaged in a war with Russia."

1937 will be a good year for the person who fights to move ahead.

## CLASSIFIED ADVERTISING

Classified rates are two cents per word for the first insertion, and one cent per word for each subsequent insertion. This rate applies to all legal notices.

All classified advertisements must be paid in advance unless arrangements are made in person to care for the payment of them. Classified ads received through the mail will not be published unless accompanied by the cost of insertion.

Word ads intelligently—do not try to save a few cents by leaving out necessary words; tell who, what, where, and if essential, when and why.

### FOR SALE

## Nation's \$1,000,000 Birthday Cake and Its Beneficiaries

With more than 6,000 celebrations in prospect for January 30, President Roosevelt's birthday, a fund of approximately \$1,000,000 is forecast for the war against infantile paralysis by Colonel Henry L. Doherty, chairman of the National Committee for the fourth year. Seventy percent of the fund thus raised will remain in the communities where collected, the other thirty percent going to the Warm Springs (Georgia) Foundation.
